

K.K.K. Visits Church

Ku Klux Klan members of Birmingham, Ala., sit in front pews of Massey Line Church during Sunday morning service. A spokesman said appearance was made to frighten persons of tavern nearby who had tried to "disturb the peace." One of the songs the Klansmen sang was "The Old Rugged Cross." (NEA Telephoto)

Signs Show Peak
Of Inflation May
Have Been Reached

Prices Are Slightly Better
and Supplies Are
Seen in Better
Balance

Washington, Nov. 23 (AP)—Has inflation at last reached its peak—or perhaps even passed it?

There are new signs today that this could be so. But somewhat similar signs appeared in early 1947 and 1948 only to be bowled over by another upsurge in the boom.

Among the latest indications emerging from government reports in the last few days are these:

A two-month decline in the consumer (cost-of-living) price index until, in October, it was only moderately above last January's level. Also, a dip since August in the general index of wholesale prices—which are more of a guide in future costs at retail—until in October the index dropped slightly below the level of last January.

Not all prices have gone down. Those for metals, which play a major role in determining the price course of many goods, have been rising even more sharply than in 1947.

Prices, however, are only one factor on the scoreboard showing how the inflation contest between supply and demand has been getting along.

"Supply of many goods," says the Federal Reserve Board in its latest bulletin, "is now in better balance with demand at current prices than at any time since before the war."

As demand itself hasn't been showing the old zip it had in earlier postwar periods.

People have been spending less of their after-tax income and putting more of it into savings. Business has slowed down its buying, too.

Department store sales have dropped below last year in dollar volume for two consecutive weeks, and retail sales in general haven't been showing their old month-by-month climb.

Starts on construction of new homes have been declining since April—suggesting, as the Federal Reserve Board put it, "resistance on the part of buyers to current high prices."

Price resistance is a factor in the retail and department store sales picture too, officials say, although they add that unseasonable weather and perhaps a return to the old "last minute" Christmas shopping habit might have as much or more to do with it.

Washington economists are viewing all this with extreme caution, recalling that there were wrong forecasts when some similar developments occurred in the spring of 1947 and in the opening months of 1948.

The Federal Reserve Board Continued on Page Five

Record Reported

A.M.G. Says Steel Output
in Ruhr Is at New
Postwar Peak

Berlin, Nov. 23 (AP)—The American military government said today Ruhr steel production has climbed to another postwar record.

The new peak was reached at a time when the French were protesting that the United States and Britain are permitting western Germany's economic recovery to progress too fast and too far, thus raising new threats to France's security.

In addition to its report on Ruhr production, the A.M.G. announcement contained these highlights:

1. Attempts by Communist trade unions of the Soviet zone to exploit labor unrest in western Germany have failed.

2. The pinch of the Russian blockade has forced about 400 more western Berlin firms to close down or reduce operations in the last two weeks.

Rail, Air Express Embargo
Is Declared for New York

Move Is Blamed Upon Employee Showdown,
According to Company; Result of
'Discharge' of 13 Workers

New York, Nov. 23 (AP)—An embargo was clamped today on nearly all rail and air express shipments into New York city where one-third of all general trucking has been hit by an A.F.L. teamsters strike.

The Railway Express Agency announced the embargo on all rail and air express traffic "except certain carload shipments" as a result of a "slowdown strike" by terminal employees.

The agency said points affected besides New York city were Jersey City, Weehawken and Hoboken, N. J., and all Long Island offices included in the embargo is any traffic "that must be handled in transfer at the New York and New Jersey terminals."

A. M. Hartung, an agency vice-president, said the slowdown began Friday and was continuing today, "showing a concerted movement under some central direction at practically all express terminals and sorting stations in the New York metropolitan district."

The A.F.L. Brotherhood of Railway and Steamship Clerks, Freight Handlers, Express and Station Employees advised the management that the slowdown was a result of discharge of 13 employees.

Hartung said, "The slowdown began Friday and was continuing today, 'showing a concerted movement under some central direction at practically all express terminals and sorting stations in the New York metropolitan district.'"

\$106,000 Is
Sought by
TB Hospital

Dr. Weber's Request
Is \$9,000 Higher
Than Appropriation
in 1948

'Lab' Asks More

City Laboratory's Bid
Is for Increase of
\$7,050 Over '48

An appropriation of \$106,000 was asked by Dr. George W. Weber for operation of the Ulster County Tuberculosis Hospital during 1949, when his annual report was presented to the Board of Supervisors Monday evening. This is up \$9,000 over the appropriation made for 1948, when the board made available the sum of \$97,000.

The total cost of operation of the hospital from November 1, 1947, to October 31, 1948, was \$143,270.36, including an item of \$7,269.54 carried over from the previous year. Operational expenses for hospital supplies, etc., was \$69,876.00 and personal services amounted to \$73,394.36.

Income was \$97,000 by county appropriation, \$2,279.51 balance on hand on November 1, 1947, and the state aid amounted to \$43,034.38. In addition there were received \$750 from sale of a car and miscellaneous donations amounting to \$366.76 for a total of \$141,430.65. The balance on October 31, 1948, was \$6,160.29. Expenditures up to the end of December 1948 are estimated at \$23,500 and the state aid will be approximately \$12,000. The balance of \$3,660.29 plus anticipated state aid of approximately \$18,000 to operate for the months of November and December, leaving a deficit of about \$5,500 at the end of the year. Dr. Weber recommends a deficit appropriation by the board to cover this amount.

Living Costs, Wages

In the report Dr. Weber points out the increasing cost of living and also the wage factor. He calls attention to inability to pay for employment generally by the present salary rates and suggests that if the hospital is to get personnel that is needed for efficient operation, salaries must be raised. He pays tribute to the old employees who have served faithfully at their present salaries even though they could have obtained "much more remunerative employment elsewhere." Inability to secure registered nurses, practical nurses and other employees because of the inequality in wages paid at the hospital and elsewhere, is called to the attention of the Board of Supervisors.

Fuel, repairs and medicines are higher and he calls attention to the need for tuberculosis treatment tuberculosis as one of the items of increased cost. Dr. Weber refers to streptomycin as an "invaluable help in the treatment of the disease" and says Continued on Page Ten

Accord Blue Baby
Dies in Venezuela,
Grandmother Told

Mrs. Wilfred Knowles of Accord received word Monday from Caracas, Venezuela, that her grandson, Michael Parra, Jr., who had been under treatment by a specialist for a heart ailment of the blue baby type, died Nov. 15 in the South American city.

Mrs. Michael Knowles Parra, left the home of her mother in Accord with the child last Oct. 20, and they arrived a day later by plane in Caracas.

Doctors discovered that the infant had died of a heart ailment. The report also disclosed that Continued on Page Ten

King Must Rest Six Months
Because of Circulatory Ill

London, Nov. 23 (AP)—King George VI is suffering from an arterial ailment, Buckingham Palace official correspondents reported today. All his public engagements have been cancelled.

The announcement, apparently authorized by the King himself, said the ailment did not involve a blood clot.

The King's physicians said in a medical bulletin early today the King suffered from "an obstruction in the circulation of the blood which has only recently become acute" and that a defective blood supply to the right foot caused anxiety.

London, Nov. 23 (AP)—Illness forced King George VI today to take a complete rest for at least six months.

An official announcement from Buckingham Palace said the 52-year-old British sovereign is suffering from a circulatory ailment in his legs that "only recently has become acute." His 1949 tour of Australia and New Zealand has been postponed.

A medical bulletin signed by five doctors and incorporated in the Buckingham Palace announcement said "a defective blood supply to the right foot causes anxiety." Palace informants said there was reason to believe a blood clot caused this condition.

The announcement, which came as a complete surprise and shock to the British Empire and Commonwealth, said his doctors had ordered complete rest for the King. Palace sources said George would still have no public engagements for at least six months.

The King's doctors, who attended him before and after the birth of Princess Elizabeth's son in the palace November 14, stressed that the monarch's general health, including his heart, "gives no reason for concern."

The doctors gave no specific Continued on Page Five

Education Board
Is Given Report on
Health Program

Two Resignations Received
at Meeting; Coverage
By Insurance
Extended

A detailed report of the new health program in this city's public school system was presented to the Board of Education Monday night and disclosed that of 1,947 pupils examined between the start of the school term and October 31, a total of 1,098 physical defects was found.

The report was compiled by Dr. Samuel S. Nussbaum, medical supervisor, and was read to the board by Dr. Frederic Holcomb, chairman of the board's health committee.

Dr. Holcomb said that, although the percentage of defects found seem high, the figure includes dental and other minor defects.

There were 684 cases of teeth decay and other dental defects found by examination. 137 cases of inadequate eye glasses and 52 cases of eye defects, 65 tonsil cases and 50 cases of severe postures—uncovered by these examinations.

Also discovered by the report were 76 cases of mal-nutrition, 20 cardiac cases, nine cases of eight nose defects, eight skin and scalp defects, six mental cases, four orthopedic cases, four speech defects and two cases of lung trouble and hernia.

The number of examinations made represents a little less than one-half of the total enrollment at the public schools.

The health program was delayed by the work done in the tuberculosis survey. Dr. Nussbaum reported, but nevertheless "a tremendous number of teacher, pupil and parent consultations have already been held and considerable corrective work has been started."

Dr. Nussbaum noted that the school system has received excellent cooperation from all existing agencies, including the county health department, the Ulster County Tuberculosis and Health Association, welfare agencies and the State Rehabilitation and School Guidance agencies.

A student dental nursing staff has been developed to assist the school nurses, the medical supervisor reported.

Principal and teachers throughout the system have been alerted to recognition and exclusion of acute illness and to the re-admission of children recovering from illness, he reported.

Arrangements have been made for treatment of severe cases of malocclusion.

Program Is Extended

The physical education program at the Myron J. Michael School has been extended so that each child enters some phase of physical education every day.

According to Dr. Nussbaum's report, 33 children were excluded from school at some time during the period for lice, 31 for impetigo, 31 for chicken pox, nine for scabies, five for mumps, four for ringworm, two for conjunctivitis and one for German measles.

The report also disclosed that Continued on Page Ten

Helen T. Ward Listed
as in Improving
Condition; Two
Critical

Helen T. Ward, 21, daughter of Mr. and Mrs. Edward P. Ward, 97 Clifton avenue, who suffered burns of the face and one arm in the blaze which routed students from a sorority house at Cortland, was listed by The Associated Press today as among the injured students reported in "good condition."

The fire that fatally injured two students at the state teachers college started in a box of rubbish in a laundry room, authorities said.

The laundry room was in the rear of the Arethusa sorority house which was swept by fire early Sunday.

In addition to the two girls who lost their lives, nine others were injured. Two were reported in critical condition at Cortland County Hospital.

After an investigation, District Attorney John Gardner and Police Chief Charles Sloan said in a statement last night, "We have reached the conclusion that the fire was not of incendiary origin."

They said that after interviewing about 25 persons, they had "definitely ascertained that the origin of the fire was in a cardboard container" in the laundry room.

Dies in Hospital

Miss Marie Meyer, 21-year-old daughter of Charles Meyer of Sturgeon Point, Derby, died yesterday afternoon in Cortland County Hospital. Miss Meyer, a senior, suffered third degree burns of the face, hands and body.

Miss Barbara Kelsey, 20, of Carthage, died at the hospital Sunday, several hours after she had inhaled flames.

The college has decreed a month of mourning and flags have been lowered to half staff.

Conditions Are Critical

The hospital reported as "critical" the conditions of Miss Marilyn Miller, 21, of Rochester, and Miss Lillian Rudnitsky, 19, of Center Moriches. Both were suffering from third degree burns.

Joanne Ashcroft, 20, of Endicott, who suffered a broken back when she jumped from the second floor of the sorority house, was listed as "fair."

In addition to Miss Ward the hospital said these girls were in good condition:

Joyce Newell, 19, of Farmingdale; Barbara Idders, 23, of Auburn; Miriam Sheppard, 21, of Yonkers; Marjory J. Lind, 19, of Greenport; and Marjorie E. Triestman, 20, of Sag Harbor.

Quick Is Given
Suspended Term

Cashin Orders Probation;
Di Cataldo Sentence
Not Imposed

Granville P. Quick, Jr., of Kingston was given a two-to-four-year sentence in Clinton State Prison at Dannemora Monday afternoon by County Judge John M. Cashin when the defendant entered a plea of guilty to a charge of rape, second degree. Execution of sentence was suspended during good behavior. An assault, second degree, charge against Quick was dismissed on motion of his counsel Elmer H. Nathan. In suspending sentence, Judge Cashin said he was taking into consideration the type of girls involved in the case but warned the defendant that any further difficulty would result in putting the prison sentence into effect. He was placed on probation.

Charles DiCataldo of Union City, N. J., who was also involved in the same matter with Quick, changed a former innocent plea to one of guilty to violation of Section 483, Sub. B. DiCataldo said he had been convicted of armed robbery in Keansburg, N. J., in July 1946 and was on probation in New Jersey. Judge Cashin suspended imposition of sentence.

Two other youths who were involved in the acts with Quick and DiCataldo had their cases disposed of in court under the Youthful Offender statute.

Edward Bernard, charged with grand larceny, second degree, had his case moved over to March on application of Bernard A. Culliton.

Henry Osterhout, charged with assault, second degree, also had his case moved over the term.

Ramirez Sentenced
To Die for Slaying

New York, Nov. 23 (AP)—Julio Perez Ramirez today was sentenced to die for the fatal screw driver stabbing of a woman travel agency owner.

The 29-year-old Puerto Rican, an unemployed house-painter with a record of previous arrests, was unemotionally sentenced him to die in the electric chair the week of January 3.

An all-male jury last Wednesday found Ramirez guilty of slaying Mrs. Vera Loto while robbing her East 55th street apartment last March 30.

Morse Asks C.I.O.
'Statesmanship'
In Writing Law

President Murray Slams
at Communists in
Three Speeches at
Assembly

Portland, Ore., Nov. 23 (AP)—C.I.O. convention delegates trooped back into session today still exclaiming over Philip Murray's historic eruption against the Communists and eager for more wallops at the C.I.O.'s left wing.

At the same time Senator Wayne Morse, Oregon Republican, in a speech prepared for delivery, called upon the C.I.O. for "statesmanship" in helping to write a new labor law that would be fair to both unions and industry.

Morse commended the C.I.O. leadership for its "forthright stand" against "extreme leftist philosophies."

This "forthright stand" had the convention in an uproar of cheering and booing yesterday.

Murray in three speeches hammered at the Communist party, Henry Wallace supporters, Marjory Miller, 21, of Rochester, and Miss Lillian Rudnitsky, 19, of Center Moriches. Both were suffering from third degree burns.

Joanne Ashcroft, 20, of Endicott, who suffered a broken back when she jumped from the second floor of the sorority house, was listed as "fair."

In addition to Miss Ward the hospital said these girls were in good condition:

Joyce Newell, 19, of Farmingdale; Barbara Idders, 23, of Auburn; Miriam Sheppard, 21, of Yonkers; Marjory J. Lind, 19, of Greenport; and Marjorie E. Triestman, 20, of Sag Harbor.

Will Say 'Thanks'

French Train Will Visit
Pennsylvania With
Special Gifts

Harrisburg, Pa., Nov. 23 (AP)—France will formally say "thank you" to Pennsylvania for its contributions to last year's Friendship Train at ceremonies here next month.

The French train of "40 or 50" boxcars, the same type which carried members of the A.E.F. during World War I, will visit Pennsylvania's capital city on either Dec. 17 or 18, John Brabyn, chairman of the Harrisburg Friendship Train committee, said yesterday.

The train will consist of 49 cars, one for each of the United States and Hawaii. The Pennsylvania car will be turned over to officials here and they, in turn, will present it to the state museum.

The boxcar will be filled with gifts valued at 3,000,000 francs from the French people.

Some Feel
Help May Be
Far Too Late

Plan Would Combine
Military, Economic
Aid for Government
of Chiang

New Push Begins

Bad Weather Cuts Down
Effectiveness of Air
Force

Washington, Nov. 23 (AP)—A top administration official estimated today it would cost the United States around \$5,000,000,000 to try to save China from the Communists.

This official, asking not to be quoted by name, told a reporter he is convinced that only a program of that size, and one combining both military and economic help, would stand any chance of success.

He added the \$5,000,000,000 figure has been mentioned by several cabinet officers in discussing what—if anything—can be done to help the hard-pressed Nationalist Government of Generalissimo Chiang Kai-Shek.

The official did not profess to know, however, whether President Truman and Secretary of State Marshall got around to talking about any such specific estimate in their post-election conference yesterday.

The White House reported only that the two men reviewed the whole range of foreign relations, including China, all of Asia, and Europe.

Press Secretary Charles G. Ross called Marshall's report "very informative" and said the secretary might return for further talks today.

Diplomatic authorities described Mr. Truman as eager to reach a decision on China quickly, so he can reply in greater detail to Chiang's urgent appeal last week for more American help.

Main Factors Considered

The main factors confronting the President and his secretary of state are these:

1. Whether it is too late, as some government officials are known to feel, to help Chiang's Nationalist armies, and

2. Whether the cost of an "adequate" China aid program could be fitted into the budget without forcing the treasury to dip into its red ink.

The official who told of the thinking in terms of a \$5,000,000,000 undertaking said it has not been determined how many years the program might require. Thus, he did not offer a guess on what the cost might be in any one year.

One estimate came over the week-end from former Senator D. Worth Clark who visited China for a congressional committee.

He said an "all-out" program would cost \$1,000,000,000 the first year and \$600,000,000 annually thereafter until the Communists are defeated. The money would be used to buy military supplies and prop up China's currency.

The \$5,000,000,000 figure would include funds for a third purpose—purchase of huge quantities of consumer goods, such as food and Continued on Page Five

Aerial Firemen

The government-owned Ontario Provincial air service is an organization which patrols the northern

hush against fire and carries forestry firemen to and from fires.

A possible world shortage of insulin is being predicted in Britain.

The New Governors

Seattle, Nov. 23 (AP)—Arthur B. Langlie scoffed at getting into politics.

He was an obscure attorney 13 years ago when a group of young men with non-partisan ideas about efficiency and economy in government persuaded him to run for the city council.

In that way began a career which has been the despair of professional office seekers. His score in 14 contests: 12 victories, two defeats.

In January the 48-year-old Republican, a former University of Washington athlete, will take office as Washington's governor the second time. He was first elected in 1940 but lost to Democrat Mon C. Wallgren in 1944.

Democrats won the state for President Truman this year, electing and re-electing numerous state officials, and won the state House of Representatives.

But Langlie pulled through, defeating Wallgren, President Truman's good friend, by a good margin.

Friends describe Langlie's administrations as mayor of Seattle and his first term as governor as marked by thrift and efficiency. Opponents have called him "hopeless but colorful."

He returned his Seattle councilman's salary to the city treasury when he campaigned for mayor. He campaigned ardently for Dewey in 1944 in a state which liked Roosevelt as a supporter of its development and the great Grand Coulee Dam.

Langlie was born at Lanesboro, Minn., but has lived in Wash-

ington state since he was nine years old. His parents operated a small grocery store. After graduation from high school he worked in logging, camps and wheat fields to finance his law education at the State University. He was graduated in law in 1926.

He was married 20 years ago to Evelyn E. Baker, Pittsburgh, Penna. Then have two children, Arthur Sheridan, an 18-year-old freshman at Princeton, and Carrie Ellen, a junior high school student. The son was a scholarship at Princeton so he could go where he wouldn't be known as "Arthur Langlie's son."

Man Kills Self In Bronx Apartment

New York, Nov. 23 (AP)—While police were on their way to an apartment at 3505 Bruckner Boulevard, the Bronx, in response to a telephone call from neighbors, Joseph Montfort, 54, fatally shot himself with a rifle yesterday, police said.

Detective Richard Mahoney said the fatal shot was fired into Montfort's chest as he sat on a bed with the butt of a 30-30 hunting rifle on the floor.

A few moments before the shot was fired, police said, neighbors telephoned police that there was a man with a rifle in the hallway of the apartment house at that address and that he was threatening to kill himself.

Mahoney entered the apartment through a window from the fire escape and found Montfort dead on the bed. A detective said Montfort's daughter, Merle, with whom he lived, was at work at the time.

Mahoney said a note was found in the apartment in which Montfort expressed grief over the death of his wife two years ago, as well as concern over a heart ailment. Detective Mahoney quoted the note as saying "Sorry, I had to do it."

Barrett Is Appointed Albany, N. Y., Nov. 23 (AP)—James R. Barrett, a former Buffalo police lieutenant and since 1947 senior personnel technician in the State Civil Service Department, was appointed today chief of the Bureau of Police of the State Division of Safety. The appointment, effective December 1, was announced by Safety Director Thomas W. Ryan. The position pays \$6,000 a year.

NAPANOCH

Three Youths Held On Robbery Charges

Ramapo, N. Y., Nov. 23 (AP)—Three youths were in custody today on robbery charges in connection with the holdup of three Bergen county, N. J., boy campers in the Ramapo mountains. Police Chief Abe Stern said the youths admitted taking three sleeping bags and a pup tent from Edward Podmayer, 13, Charles Hancox, 11, and Thomas Callahan, 13, all of Fallsides Park, N. J. Stern last night identified those arrested as Joseph T. Morales, 18, of the Bronx, N. Y.; Raymond M. Morales, 23, a brother, and Joseph Rios, 16, both of Manhattan.

The police chief gave this report: The New Jersey boys were camped Sunday afternoon in the Ramapo mountains, at the entrance to Bear Mountain, Interstate Park. About an hour before they were to break camp three youths surprised them at their campsite and after firing a warning shot from a .22 rifle, demanded they hand over their camping equipment.

The boys complied and the intruders disappeared, after warning the boys to remain at the campsite until they heard another shot. A few minutes later, the boys heard a shot and started out for Ramapo, where they were met by Podmayer's father.

Podmayer notified police and a teletype alarm was sent out for the three youths. They were

picked up by state police about three miles from the boys' original campsite.

Private Is Killed

New York, Nov. 23 (AP)—Pvt. Peter Brudnicki, 20, of the First Air Force, Fort Slocum, was killed at 3 a. m. today when his automobile was in collision with a truck in the Bronx. Pvt. Brudnicki, driving north on Boston Post road behind a truck, made a U-turn at Baychester road and

was in collision with a south-bound truck operated by Alexander Nichols, of Greenwood, Del. police said. The soldier's automobile was badly damaged. Police exonerated Nichols of blame.

Yule Seal Sale Needed to Battle 7th Worst Killer

The 1948 Christmas Seal sale opened officially Monday, November 22 in Ulster county, with the delivery of seals in the morning to county and city residents. Ulster county's seal sale is held in conjunction with the nationwide appeal for funds to support a battle against tuberculosis being waged throughout the country by the 3,000 associations affiliated with the National Tuberculosis Association.

The annual seal sale, which will continue until Christmas represents the only appeal during the

year for funds to carry on the year-round tuberculosis control work of the Ulster County Tuberculosis and Health Association. Quota for Ulster county, the minimum needed to carry out the association's 1949 program, is set at \$20,000.

"The nationwide fight against tuberculosis today is just as important as it was in 1907, the year of the first Christmas Seal sale in the United States," Edmund B. Rochford, 1948 Christmas Seal sale chairman, said yesterday. "Although tuberculosis has dropped from first to seventh place as the cause of deaths in America since 1907, the disease still kills nearly 50,000 Americans annually. While no age is safe from tuberculosis, the disease today is taking the lives of more Americans between 15 and 44 than any other disease.

"In Ulster county our death

rate from tuberculosis during the past year was 22.3 per 100,000. We consider every one of these deaths unnecessary as well as tragic, because we know that tuberculosis can be prevented. We also know that our tuberculosis control program is as strong and no stronger than the interest, co-operation and support of every resident."

Mr. Rochford explained that of the money raised in this county, 85 per cent remains in the county to fight tuberculosis here and the remainder is forwarded to the state committee on tuberculosis and public health. The state sends five per cent to the National Tuberculosis Association to finance its work on a national level. Of the total raised in the county's seal sale, therefore, 95 per cent will be used within the state.

Seal sale money finances such services in the county as promotion, publicity, community organization and clerk hire in the chest X-ray survey, and transportation of patients to chest clinics. Bringing up-to-date information to citizens on T.B., social hygiene, school health and other subjects through movies, talks, exhibits, etc., is also a part of service to the community.

"It is an inspiring thought that the American people themselves, through their purchase of Christmas Seals have contributed materially toward the conquest of tuberculosis," said Mr. Rochford. "But we cannot rest on our laurels while there is still a single case of tuberculosis in the country. We have a long road to travel before we eradicate tuberculosis and we must continue to fight the disease with every means at our disposal. The American people make use of a powerful weapon against tuberculosis every time they purchase Christmas Seals."

Dock Strike Continues. New York, Nov. 23 (AP)—Hope for settlement of the east coast shipping tieup was dim today as leaders of striking longshoremen rejected a compromise proposal providing a long-sought waterfront welfare fund. Union negotiators turned down the employers' proposal last night, saying it was "too vague" and was no better than an offer previously rejected. The proposal called for the 65,000 striking members of the A.F.L. International Longshoremen's Association (I.L.A.) to return to work immediately, with the union and employers then working out details of a welfare plan.

New Zealand is importing British teen-age girls to work in hospitals.

A.F.L. Leaders Go Into Immediate Action on Program

Cincinnati, Nov. 23 (AP)—A.F.L. leaders went into immediate action today to carry out the far-reaching policies in domestic and international affairs which their 67th convention approved.

The Executive Council, whose 15 members were unanimously re-elected before the convention adjourned last night, remained in session to dispose of the details assigned it by the delegates.

Chief domestic programs were for the repeal of the Taft-Hartley Act and the launching of a \$750,000 educational campaign by the A.F.L. Political League.

The league was made permanent, and its activities for the next 14 months—until the primary elections of 1950—will be financed by assessment of 10 cents on each member.

President William Green, 75, who was re-elected to his 25th term, struck the policy note on working for repeal of the Taft-Hartley Act, the Hobbs and Ladd bills.

The delegates demanded restoration of the Wagner Act as it existed before 1947.

In foreign affairs, the A.F.L. approved a 10-point international policy statement full of tough words.

It called for a defensive military alliance with other free nations and the cutting off of all trade relations with Russia to force the lifting of the Berlin blockade.

It pledged the A.F.L. to the idea of a United States of Europe and asked that there be no "mission to Moscow." Instead, the United Nations machinery should be used to settle the issues separating the Soviets from free nations, the A.F.L. said.

It asked that it be made illegal for any nation to operate a "fifth column" in another country with which it is at peace.

The Executive Council was asked to invite British trade union leaders to meet in Miami next February. Inasmuch as the A.F.L. expects the British to take the initiative in forming a new world federation, the council was asked to give notice that the A.F.L. would like to join.

Livestock Farmers Hear That Grain Is Plentiful in N. Y.

Speakers at the conference of area food dealers held Monday at the Governor Clinton Hotel urged farmers to make the most of this year's good grain supply to get high production from their livestock. Approximately 25 feed dealers attended the conference held under the sponsorship of the Ulster County Farm Bureau and the New York State College of Agriculture at Cornell University.

J. D. Burke of the department of animal husbandry at Cornell told the dealers that prices are favorable for purchased grains and that most state farmers have good crops of home grown grain. Discussing concentrate mixtures for dairy cattle, Professor Burke emphasized the importance of varying protein content to balance the kind of roughage being fed. He said that generally the cost per 100 pounds of total digestible nutrients is the best guide to economical feeding.

F. W. Hill, department of poultry husbandry, recommended the use of high energy feeds for both broiler and egg production. He outlined various feeding combinations which would provide all the essential minerals and vitamins.

H. E. Botsford, of the same department, outlined a management program for poultry flocks.

Kingston Chest X-Ray Survey

Total X-rays to date, 12,625. Today's Location: Sixth Ward, School No. 3. Tomorrow's location: Seventh Ward, Cornell Fire House, Abel street. Hours: 1 to 5 and 7 to 9 p. m. The X-ray unit will be closed on Thanksgiving Day and will reopen on Friday, November 26, at the Cornell Fire House.

Five Billion . . .

Continued from Page One . . . clothing, for Chinese civilians. The objective would be to discourage hoarding and black market operations.

The State Department has estimated total wartime and postwar American help to China at \$3,600,000,000, including lend-lease and military and economic aid in the form of both loans and outright gifts. The current program involves an outlay of \$400,000,000.

New Drive Is Opened

Nanking, Nov. 23 (AP)—The Communists opened a new push today on Suchow, key to Nanking and Central China. The immediate objective was the defense bastion only airfield.

Gen. Chen Yi's Red veterans punched out of the southeast under the cover of low clouds. Weather cut down the effectiveness of the government's air force which was the major factor in turning the Communist assault in the first phase of the Suchow battle last week.

The new offensive added to Communist pressure steadily building up against the Nationalist Second Army group all along a great arc to the east and south of the city 180 miles northwest of Nanking.

In North China, the Communist threat to the great cities of Peking and Tientsin increased as the Reds took over Paoting. The Communist radio claimed the city yesterday, the government announced its evacuation today.

Without full air support for the defense of Suchow, the Nationalists were expected to be in for a rough time. The Communists apparently had regrouped and reformed completely after last week's heavy battering. They had been caught unprotected on the Suchow plain and the Nationalist air force blasted them in clear days and moonlight nights with bombers and fighter-bombers.

Correction for Ad

The word "boneless" was omitted from a section of an A. D. Rose Market ad yesterday. It should have read: Forst's Formost boneless cala hams, price 75 cents.

Flathush Service

The annual Thanksgiving service at the Flathush Reformed Church this year will be on Wednesday at 8 o'clock.

King Must Rest

Continued from Page One

medical name to the king's ailment. The possibility that the king is suffering from phlebitis was suggested in some quarters, but responsible sources declined to go beyond the official statement.

In their bulletin, the doctors said that "no doubt the strain of 12 years has appreciably affected his resistance to physical strain."

"It would be hazardous," they added, "to embark upon a long journey which might delay recovery and involve serious risk to limb."

The King, who ascended the throne in 1936 and will be 53 Dec. 14 was to have sailed with Queen Elizabeth and Princess Margaret in mid-January on the tour of Australia and New Zealand. They were to have traveled in the battleship H.M.S. Vanguard, via the Panama Canal.

The decision to postpone the tour was taken only after high level discussion. The prime ministers of Britain, Australia and New Zealand concurred in the doctors' decision.

Pointing out the significance of the postponement, palace sources said it would not have been made without "due cause and reason."

Five doctors have been giving the King leg massages and electrical therapy for more than a week. These will be continued. About two weeks ago the King first complained of a loss of feeling in his right foot. More recently, palace informants said, he has been feeling pain in the foot.

The King's recent activities gave no hint that he was burdened by a physical ailment and the palace announcement came as a surprise even to many in court circles.

He had strolled in the palace gardens regularly until a few days ago and less than two weeks ago he attended an agricultural show in Bedfordshire where he walked about for two hours. He missed church services for the past two Sundays, however, significantly breaking his custom.

Signs Show Peak

Continued from Page One

says, for instance, that "many of the underlying forces operating to bring about further (inflationary) advances" are still present today.

A couple of major ones it cited were heavy new demands for goods, materials and labor resulting from increasing foreign aid and a military expansion program that so far has hardly begun to make itself felt.

Without these two programs, many Washington analysts say, the inflationary period already would have ended.

Says Spy Ring Smashed

Frankfurt, Germany, Nov. 23 (AP)—The U. S. Army said today it has smashed a Czechoslovak spy ring which had been getting data on American troops and installations. "Approximately 20 persons were arrested," the announcement said. All those arrested, except one who claimed Czech nationality, were either from the Sudetenland of Czechoslovakia or were native Germans. The army said they were "operating in the United States Zone of Germany on behalf of Czech intelligence."

Breen and Pilot Spent Two Nights At Glidden Hotel

Glidden, Wis., Nov. 23 (AP)—Singer Bobby Breen and his pilot companion, hunted for 24 hours by hundreds on land and by plane after they were reported missing in a flight Sunday, spent Sunday night and most of Monday in the Northwestern Hotel here, the hotel manager said last night.

Sheriff William Sands said Breen, 21-year-old former motion picture star, and the pilot, Kenneth Thompson, were found at the hotel last night. Sands sent a squad of deputies from Hayward, Wis., to Glidden, a distance of 50 miles, after he learned of newspaper reports that Breen and Thompson were in Glidden. He had been unable to reach them by telephone.

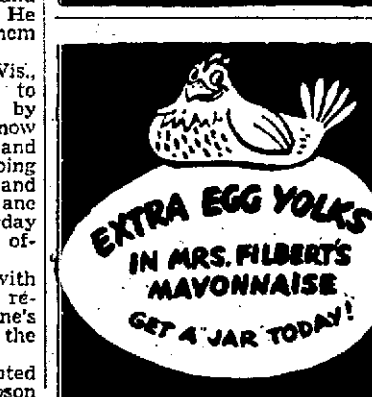

Thompson, Waukesha, Wis., charter pilot, was returned to Hayward and he was quoted by Sands as saying he did not know any search was being made and he didn't know "there was going to be any fuss."

He said he and Breen had tried to get his plane out of a farmer's field yesterday but failed. Sands said Breen offered no explanation. Sands said he would confer with the district attorney today regarding the search. "Someone's got to pay for all these bills," the sheriff said.

The Milwaukee Sentinel quoted Breen as saying he and Thompson

were forced down at a farm near Glidden about 3:45 p. m. Sunday and because of blocked roads they were unable to get into Glidden and had to spend the night at a farm house which had no telephone.

But Mrs. Mary Sheridan, manager of the Northwestern Hotel, said Breen and Thompson registered under Thompson's name and spent "Sunday night and most of Monday" at the hotel.

Needed Gadgets
According to a leading shirt-maker, buttons have been devised that laundries can't tear off shirts. This sounds unmistakably like a challenge to the laundries and we dare say they will respond by putting forth their best efforts to prove that the shirt-maker is a liar.

His announcement caused the Christian Science Monitor to get busy, with the result that it comes forward to suggest a number of other gadgets that would make life smoother in this machine age, including the following:

Phones that can't ring while you're in the bath.

Doorbells with electric eyes and speaker systems to say, "No, we don't want any more magazines until we have worked our way through college."

Auto horns that won't too good-bye as guests leave a house at 3 a. m.

Streetscar doors closed in a would-be passenger's face.

Ash barrels that won't become, thereby reducing ash collectors' pleasure to one bang per throw.

Theatre seats that won't remain empty in the middle of the row after the picture starts.

Shoes that can't be moved—not even by pedestrians—against a red traffic light.

Radioes that get loud enough for their owners before getting too loud for the neighbors.

Alarm clocks that get you up in plenty of time for the early commuter's special without waking you until you're ready.

Typewriters that won't write driven!

Every man is a fool at least for five minutes every day. Wisdom consists in not exceeding the limit.

—Elbert Hubbard.

Johnson: "What gives Parker that strained look—business worries?"

Jones: "No, he picked it up trying to listen to his wife and the radio at the same time."

When a gang leader has a questionable employee, he rolls, it's customary to say "rather than."

Customer: "Have you a book entitled 'Man, the Home'?"

Salesgirl: "The fiction department is on the other side, sir."

It Will Be 'Truman Road'
Kansas City, Nov. 23 (AP)—Kansas City's busiest east-west street

will be renamed in honor of President Truman. The City Council last night ordered "Fifteenth

Street" changed to "Truman Road." The change becomes effective January 20, the date of the President's inauguration.

AMERICA'S Miracle Paint

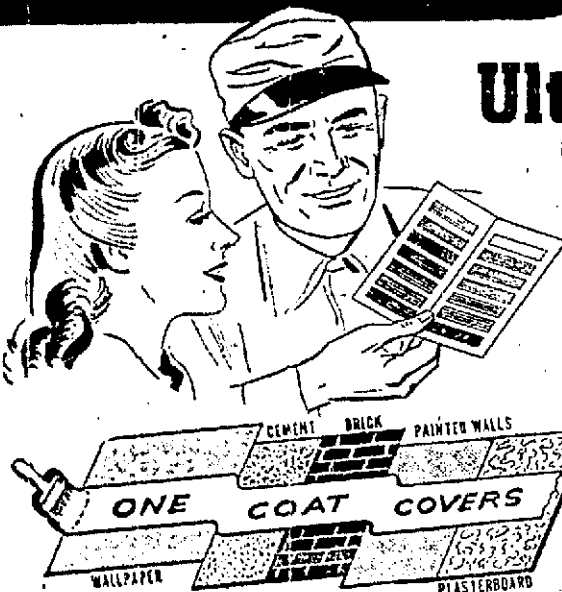

HAS THESE BIG
ADVANTAGES

- 1 One coat covers
- 2 Mixes with water
- 3 Dries in 40 minutes
- 4 Economical (1 gal. makes 1 1/2 gal.)
- 5 No unpleasant odor

Ultra LUMINALL

is the new water-mixed paint that has everything... Use it over wallpaper, wallboard, plaster, cement... and one coat does the job over most surfaces... goes on easily with a big wide brush, saving time, labor and money.

State Denies Any Lack of Interest In City Milk Prices

Albany, N. Y., Nov. 23 (AP)—The chairman of the State Commission of Agriculture denies that the state has shown "very little interest" in New York city milk prices.

State Senator Austin W. Erwin issued a statement yesterday in reply to an allegation by investigations Commissioner John M. Murtagh of New York city.

Murtagh said Sunday at a neighborhood housing association meeting in New York that only a "combined federal and state investigation" into the causes of price rises "could break up the milk trusts."

"The F.B.I. is looking into the situation," Murtagh continued, "but the state government has shown very little interest."

Erwin said "a searching and thorough state-wide study of the so-called spread between what the farmer gets and what the consumer pays for milk being made by the State Commission on Agriculture, with priority given to the New York city market."

Erwin said it was "an expensive, highly-technical and time-consuming job." He added:

"When we obtain all of the facts, without which no conclusions as to the justice of milk prices can be drawn, those facts will be made public."

"We anticipate we will be able to report to the Legislature this winter on the situation in the New York metropolitan market."

Murtagh has been investigating milk pricing methods in New York for some time. He has frequently contended there is "collusion" among the big companies in keeping up milk prices and in bidding on contracts to supply schools and other city institutions.

The companies have denied the allegations.

As Pegler Sees It

Continued from Page Four
lieve that anyone who only vote for Wallace at all would be detected by further evidence of improbability? The crazier the better was the Communist motto. It wasn't Henry's infatuation with an Oriental pundit that drove off the difference between the million-odd Communist votes that he got and the five-million miscellaneous votes that he might have had. He was cut down by his own gaudy refusal to acknowledge and preach the strange but not necessarily idiotic theories which he had once embraced.

With his wild and fierce enthusiasm, Mr. Wallace could have become a real mahatma, the first political holy man in Western history. He could have had a vast following of presently unattached susceptibles, god-seekers and hallucinations of all kinds, including many intellectual speculators. There are millions of Americans who have found the religious facilities in our country, both spiritual and formal, inappropriate to their yearning. Here, then, came a fellow with certain seemings of humble simplicity, always a fetching guise, who had only to boller up his ism and perhaps adopt a nanny goat, a Pullman clout and a spinning wheel to become a Guru in his own right.

It was never for his religious or spiritual faith or seeking that I criticized Henry Wallace, but for pretending that it never happened.

Perhaps I should have kept the peace. A dear Republican warned me last winter that every vote I drove away from Wallace I drove to Mr. Truman's score. I didn't know my own strength, but now that I do, I am less horrified than I was the morning after. For it now seems that, in the honestly cynical words of Wendell Willkie, a "Bubblehead himself," as we learned too late much of Mr. Truman's emotional ferocity was "only campaign talk."

Taft-Hartley will not be repealed outright, or, anyway, will be replaced, in part, by some new law retaining at least the basis for the reform, which is all we can have, anyway. The anti-lynching law, if passed, will have to contain Federal restrictions on union riots and mobbing of innocent white men in Michigan, Ohio and California. Any Fair Employment law will be ignored for a trial run, and then if the pressurizers get nasty, will be invoked in reverse and quietly forgotten, like the hitching-post ordinance.

Moreover, and above all, the Russian war comes higher and when doom cracks such questions will not even academic.

Blancher Finds Sapphire
Princeton, N. J., Nov. 23 (AP)—Fred M. Blancher, Princeton University's assistant athletic director, has his own system for finding lost articles. He was told Mrs. John Campbell, of Salem, lost a \$3,000 star sapphire from her ring a Saturday's football game against Dartmouth. Palmer Stadium sent 50,000 persons. Blancher's search was brief. He found the sapphire in front of seat 13, row 13.

Flying fish probably take to the air to escape enemies in the water.

Do This for Head-Cold Stuffiness!

Instantly—the moment you put a few drops of Vicks Vapo-rinol in each nostril—you'll feel your cold-stuffed nose start to open and give you a wonderful relief from sniffling head-cold distress. Vapo-rinol acts so fast because it works right where trouble is. It relieves stuffiness, congestion, and makes breathing easier. If used in time, Vapo-rinol helps prevent many colds from developing! Try it! Vicks Vapo-rinol Nose Drops.

Resolution Considered Illegal by Attorney

White Plains, N. Y., Nov. 23 (AP)—Westchester County Attorney Harry Herman said yesterday he considers illegal a resolution barring non-residents from two county recreational spots on week-ends next year.

The resolution was voted by the county board of supervisors. The action was taken after widespread complaints that the recreational areas of Tibbets Brook Park and swimming pool in Yonkers and the Sevon Woods golf course in Scarsdale were jammed in summer with New York city residents, particularly from the Bronx.

Herman made his statements to the board of supervisors yesterday. He told them he had held the view that the resolution was illegal as far back as last September.

The resolution was passed on to the park commission for approval. It was expected the commission would take no action in view of Herman's declaration.

Oyster Oddity

A curious relative of the pearl oyster, the hammerhead oyster, is found in the Indian ocean. It gets its name from its hammerlike shape.

Grafting or Seed

Because apple varieties are all propagated by budding or grafting, they do not reproduce true to type from seed, according to the Encyclopedia Britannica.

SHOKAN

Shokan, Nov. 23—Carl Farrell, a pupil of the Shokan school, fractured his right arm in two places in a fall from a swing on the schoolhouse grounds last Thursday. Dr. J. Jacobson of Kingston attended the injured youth. Carl with his parents recently removed from Zena to the George Houser bungalow on the Ontario Trail.

Benjamin Swanson of Brooklyn, a new property owner here, came up to his place for the week-end. Ben was not exactly pleased at the discovery that some hunter had speared a bullhead through the metal roof of the Swanson bungalow along the mountainside.

The date of the annual election of officers of the Shokan Ladies' Aid Society has been set at Thursday afternoon, Dec. 2, in the Reformed Church. The business session will be followed by the annual covered-dish supper for members of the congregation of the church.

Additional successful deer hunters reported include Raymond Osterhout of the operating staff down at the Ashokan Reservoir center; Arthur Myers, member of the Erie R. R. police force and guest at the Osterhout home at Brown's; also Norman North, Shokan veteran of naval service in World War 2.

Looking Backward
Tuesday, Nov. 22, 1915: Ashokan business damages commission in session at court house hears two claims of Edgar Palon, Samsonville farmer, for loss of pulpwood business as result of closing of mill at Windell's Falls. Mr. Palon, who testified all afternoon, stated he now has to ship his wood from the railroad station at Brown's, that the new reservoir boulevard is too slippery for horses pulling a load so that he takes the longer mountain road. This prompted Wm. McMurtrie Speer, chief of counsel for the city to claim: "Did we spend \$1,000,000 to \$1,300,000 to aggravate our damages!"

Around the town: Silverio Suarez, who farms the old Jacob Merrihue place at Tongore, was among the many hunters here Friday. Other visiting ninnyrods included James Gordon of Woodstock who spent Sunday with his parents, Mr. and Mrs. Virgil Gordon of Brown's.

Fish and Game

Fish stories never seem to wane in popularity; they will probably go on and on, like the little brook, as long as there are any fish and fishermen left in the world. We suspect the Indians, coming to the famed Ashokan country to spear and snare the big, uns in the upper Esopus Creek, were wont to return to their camps in several states and regale the squaws, and any one else who'd listen—with tall yarns about the big fellows that got away. Seems as though the biggest trout any Isaac Walton ever caught was a mere fingerling to the one that made off with the hook, line and sinker, that time. And how that lost trout does grow in weight and length, with the passing years!... Strange, one seldom if ever hears a good bullhead story (though we bet Lou Thiel has a few on tap). Still, the Roxbury Times got off an odd one a while ago. The tale revolves around Imer Bellinger who went fishing in the Schoharie creek one night to try out the new reel he bought to replace the one he lost the week before. (How'd you lose it, Imer?). "Using a live frog for bait he landed a 1½ pound bullhead after three hours of patient effort. The bullhead was still alive next morning and report has it that Imer didn't have a fish dinner as he had planned, his explanation being that he doesn't like to kill the fish alive."

Well, too bad. Certainly was a whopping bullhead. And some epicures esteem the flesh of this fish most tasty of all. We doubt if anybody save your confirmed bullhead fisherman likes to kill these tough horned customers, be they dead or alive. This week is a good time to tie your dog with a good, strong chain instead of an old rope or strap. For if old Spot, Shep, Rover or Jack is caught running a deer or a bear—which is contrary to state law at any time—why, some poor master may be without a dog. (Looks especially bad in open season). Better not go hunting skunks with a dog, either; that's ag'in the law too. And if you aim to pick up a bit of easy (?) money, trapping mink, raccoons and skunk during the open season which began November 5, be sure

your name is on each trap and that the whole line is visited once each 24 hours. Wait till January 1 if you'd trap muskrats legally. Briefly, don't be like the Peakville (Delaware county) man who ponied up \$27.50 for neglecting his trap line, nor the Delhi man who found himself "out" the tidy sum of \$12.50 (How come all those fish and game fines have that 'ol bit piece tacked on 'em?) for allowing his dog to run deer.

News of Our Own Service Folks

In Graduation
Private Robert F. Johnson, son of Mr. and Mrs. Bert Johnson, R.F.D. 1, Box 159, Kingston, was one of the recent graduates from the Ordnance Automotive School at Atlanta General Depot, Atlanta, Ga.

Private Johnson entered the army in April of 1946 and graduated from the Ordnance Automotive School November 19, after completing the light metal course.

Makes Them Better
To insure uniform strength and flexibility when they are made into leather soles, fresh cattle hides are kept cool and salt-cured before tanning.

Lutheran Churches Will Hold Service Thanksgiving Eve

The three Kingston churches of the United Lutheran Church in America will unite for the festival Thanksgiving service Wednesday at 7:45 p. m., at the Evangelical Lutheran Church of the Redeemer, Wurts and Rogers streets. The Rev. David C. Gaise, pastor of the host congregation will conduct the service and the Rev. Frank L. Gollnick, pastor of Trinity Evangelical Lutheran Church, will preach the sermon of the evening on the topic, "In Grateful Appreciation."

The senior choir of Redeemer Church under the direction of Leonard Stine will sing the traditional Prayer of Thanksgiving by Kremer and "The Lord Is My Light" by Parker. Frederick Richards, at the organ, will accompany the choir and play three Handel selections: Hornpipe, from "The Water Music" and "Arioso" from "Moses in Egypt" as preludes and "Air" from "Semele" as an offertory. "Trinity and Redeemer congregations," which have united for the annual Thanksgiving service each year for a decade, are joined this year by the congregation of Saint Paul's Evangelical Lutheran Church. This congregation has been without a pastor since the

resignation of the Rev. Dr. Otto L. Schreiber earlier this month. The public is invited to join with the members of the three congregations in this service of thanksgiving and praise.

Marbletown Legion Castle Point Plans

High Falls, Nov. 22—Plans to obtain gifts for patients at the Castle Point Veteran's Hospital were made during last week's meeting of the town of Marbletown American Legion Auxiliary at St. Peter's Parish Hall. The Auxiliary program, whereby gifts are solicited ranging in price from 50 cents to \$1, makes it possible for the hospitalized veterans to obtain gifts for their relatives without charge.

Merchants in High Falls and Stone Ridge have donated window space this week for the display of articles contributed by the veterans. The gifts will be then sent to the hospital, Monday, November 29, will be the final day for the collection of articles. They may be left at any of the stores carrying window displays or with Mrs. Isaac Graham, chairman, or with Mrs. Robert Sutton in High Falls. During last week's meeting it was reported that \$100 was realized from the Election Day

supper. It was also reported that wreaths were placed on both honor rolls in the town on Armistice Day. After the business meeting Miss Thelma Williams was honored with a variety kitchen shower.

Close Study
So elaborate and detailed were designs used on ceramic tile for floor pavements in 16th century Italy that it was necessary to kneel on the floor to study them properly.

Van Duzer Says Feeling Is Dewey Should Resign

Albany, N. Y., Nov. 23 (AP)—Republican Assemblyman Wilson C. Van Duzer of Orange county, a long-time critic of Governor Dewey, said today the consensus among people with whom he talked recently was that Dewey should resign.

Van Duzer said in a statement that he had discussed the election and the future of the Republican Party with representatives of "several groups of people."

The consensus of opinion, he declared, "is that Governor Dewey should resign now, and allow Lt. Gov. Joe R. Hanley to serve out his unexpired term."

"A great many Republicans feel that the crushing defeat administered to the party at the polls this month is evidence that the people are through with Dewey and Deweyism," the assemblyman said.

Van Duzer added that due to what he termed Dewey "dictation" in legislative matters a

number of up-state Senate and Assembly districts "went Democratic."

Van Duzer's statement continued:

"Even if Governor Dewey should elect to go along with legislative leaders in a program which they might evolve this coming winter, and not try to force a different program on them, it would not compensate for the mistakes of the past nor would it rebuild the party in public confidence in this state."

The assemblyman said that Hanley is "the one man in the Republican Party who can restore the faith of the people in our party." He added that Hanley would make an ideal candidate for governor two years hence.

OLIVE BRIDGE

Olive Bridge, Nov. 22—A special Thanksgiving service will be held Wednesday at 8 p. m. at the Olive Bridge Methodist Church. All are cordially invited to attend.

The Methodist Youth Fellowship of Olive Bridge will meet Friday at 7:30 p. m. at the home of Mr. and Mrs. Allen Rose. The group is engaged in a study of the Ten Commandments with filmstrips for illustration. All young people are cordially invited to attend.

All men of the community are invited to become members of the Methodist Church choir. Rehearsals are held every Thursday at the parsonage. A special Christmas program of music will be arranged.

The immunization clinic at the schoolhouse last Thursday afternoon was attended by 38 children. Nearly 50 inoculations were given.

Dr. Chamberlain of the state department was assisted by Miss Gulnash of Kingston, the school nurse, Mrs. Hazel Osborn and also Miss Vera Griffin, county nurse.

Mrs. Elsie Davis, Mrs. Edith Davis and Mrs. Anna Davis, committee members, also assisted. The next clinic will be held at the schoolhouse Thursday, December 16, at 3:30 p. m. Those desiring their second inoculations for toxoid are requested to attend.

The town recently received a hospital bed donated by the American Legion. Use of the bed may be obtained by contacting Mrs. Anna Davis.

Mr. and Mrs. Clifford Donahue of Kingston and Mr. and Mrs. Dorville Boice motored to St. Albans, L. I., Sunday to visit their brother, Dr. Harry Hoyer who is a patient at the naval hospital.

Mrs. Olga Halldin and Berndt Larsen spent the week-end at their summer home.

Mrs. Johanna Swanson who has been spending a few days in Brooklyn returned to her home here this week.

Mrs. Milton Gelbert and children, and Mr. and Mrs. Dorville Boice attended a party Wednesday evening for Mrs. Gelbert's

By WILLIAM E. McKENNEY
America's Card Authority
Written for NEA Service

One Sunday night recently I

dropped in at C.B.S. to hear Percy Faith and his orchestra, and I met lovely Jane Froman, known as radio's "First Lady of Song."

I could not help but admire this little trouper who traveled all over the world to entertain our service men, and then unfortunately crashed in 1943 in the Taugus river at Lisbon. She told me about her romance with John Curtis Burn, co-pilot of the clipper on which she crashed.

Jane Froman's formula for success, "Work, Training, Experience and Luck," can be applied as well to bridge. You cannot become a good bridge player unless you are willing to study the game, play a lot of it, and take the trouble to memorize some of the plays.

"Everyone," she says, "makes mistakes," but we should try to eliminate the careless mistakes that are unnecessary and so costly.

Suppose, for example, that the declarer in today's hand, without any thought, wins the first trick with the ace of diamonds in dummy and then plays the king of trumps. The contract then will be defeated because the jack of spades in the West hand will make.

A careful declarer, after winning the first trick with the ace of diamonds, will play a small spade from dummy and win it with his own hand with the ace. Then, if either hand showed out, he would be in a position to finesse the holder of the other three trumps out of his jack.

Then, if either hand showed out, he would be in a position to finesse the holder of the other three trumps out of his jack.

Then, if either hand showed out, he would be in a position to finesse the holder of the other three trumps out of his jack.

Then, if either hand showed out, he would be in a position to finesse the holder of the other three trumps out of his jack.

Then, if either hand showed out, he would be in a position to finesse the holder of the other three trumps out of his jack.

Then, if either hand showed out, he would be in a position to finesse the holder of the other three trumps out of his jack.

Then, if either hand showed out, he would be in a position to finesse the holder of the other three trumps out of his jack.

Then, if either hand showed out, he would be in a position to finesse the holder of the other three trumps out of his jack.

Then, if either hand showed out, he would be in a position to finesse the holder of the other three trumps out of his jack.

Then, if either hand showed out, he would be in a position to finesse the holder of the other three trumps out of his jack.

THIS GUN 'SHOOTS' THE MOON

What looks like an anti-aircraft gun is actually an electronic multiplier wired television telescope. The device, which inventor William Rhodes looks at in Phoenix, Ariz., can single out an area on the moon's surface and project an image on an eight-inch screen with clarity. Rhodes claims it brings lunar landscapes closer than any previously developed telescope.

Two Men Booked For '46 Burglary

New York, Nov. 23 (AP)—Two men, arrested in connection with a 1946 jewelry burglary of an East 67th street apartment were booked on charges of criminally receiving stolen property last night.

They were booked as Louis Tunick, 40, of 138-14 78th Road, Forest Hills, Queens, and Joseph Gold, 46, of 936 West End avenue, Tunick, police said, is the proprietor of a lower Broadway cosmetic store, and Gold is an unemployed counterman.

Tunick, police reported, was arrested at his place of business earlier in the day, and some time later Gold was taken into custody at his home.

Detectives James Green, Thomas Tunney and William Mulligan, who made both arrests, said that at the time Tunick was taken into custody, a diamond ring valued at \$1,000 and a topaz brooch which had been converted into a pendant and which is valued at \$2,000, were found in his possession.

The brooch, the detectives said, had been stolen from the home of Mrs. J. Goodney, of 41 East 67th street, on April 4, 1946, in a burglary that netted \$5,000 in loot.

The detectives said the apartment later was sold to Gertrude Neisen, the actress, and that on last October 16, the apartment again was looted of valuables amounting to \$30,000. A few days later, on October 20, George Feld, 38, was arrested on a burglary charge and is now awaiting trial.

Detectives Green, Tunney and Mulligan, who also arrested Feld, said at the time that he was involved in 60 burglaries over a two-year period. They said he gained entrance to apartments by posing as a physician.

Two other persons were arrested in Brooklyn on charges of criminally receiving stolen property shortly after Feld's arrest and yesterday's arrests brought to four the number of persons arrested as receivers of loot from the East 67th street apartment.

Clergymen Attend Service at Hobart

The Rev. Dr. Burton F. Tarr, superintendent of the Kingston district of the Methodist Church, and the Rev. Herbert I. Killinder, pastor of the Trinity Methodist Church, attended the 125th anniversary service of the Township Methodist Church of the Hobart charge Sunday evening.

The Township Church, which is a part of the Kingston District of Methodist Churches, is the oldest place of worship in Delaware county.

Main preacher at the service was Bishop G. Bromley Oxnam, Bishop of the New York area. More than 300 persons attended the service.

Over 300,000 civil servants will operate Britain's new social services.

IT'S A CAR FOR
the young in heart!
It's a dreamlined new
postwar Studebaker

YOU drive a real champion when you wheel along in this low-slung, light-streamed new Studebaker.

It's a champion in looks! It's a champion in performance! It's a champion, too, in operating economy!

One of the lowest priced Studebakers, this Champion ranks right up with any of the finest cars in the quality of its

construction, finish and appointments. See the new Studebaker Commanders as well as Champions—and the special, extra-long-wheelbase Studebaker Land Cruiser.

The extra vision, extra roominess, extra distinction of the pacemaking new Studebakers have now become the new goal of all modern car designing.

Local Death Record

Funeral services for John Ham, who died at his home in High Falls on Sunday, will be held at the High Falls Reformed Church on Wednesday, Nov. 24, at 1 p. m. Surviving are four sons, six grandchildren and a brother, William Ham of Brantford, Conn. Kingston Lodge No. 10, F. & A. M., will conduct ritualistic services at the H. B. Humiston Funeral Home in Kerhonkson tonight at 7:30. Burial will be in High Falls Cemetery with the Rev. Gerritt Timmerman and the Rev. Robert Ward, of Stone Ridge, conducting the committal services. Bearers will be Ellis Briggs, William Quick, Reuben Barrett and Stanley Steen of High Falls; William Eselby of Kingston and Harry Snyder of Stone Ridge.

Army Reservists Must Maintain Active Status

Reserve officers must maintain active participation in the reserve training program or face transfer to the inactive list after January 1, 1949. First Army Headquarters learned today in a communication from the Department of the Army. Transfer to the inactive list makes reserve officers ineligible for inactive duty training pay and retirement benefits.

The need for reservists to keep abreast of the latest developments in material and tactics was stressed by First Army Headquarters in explanation of the army's action. It is vital that reserve personnel maintain a well-trained status, capable of the mobilization role for which it is intended.

The Department of the Army's decision brings to an end the suspension of transfers to inactive list, which went into effect November 3. Before October 5, when the transfers went into effect and November 3, the suspension date, a relatively small number of reserve officers in the First Army area were dropped from the active rolls. Transfers to inactive reserve for physical disability and over age in grade are in effect.

The communication from the department of the army indicated that responsibility lies with the individual reserve officer to inform his area commander of his desire to remain in the active reserve, if he has not already done so.

MT. MARION

Mt. Marion, Nov. 23—Miss Adelle Pleuss of New York was a weekend guest of Mr. and Mrs. Robert Snyder.

Fred Osterhoudt is confined to his home by illness.

The Ladies' Aid Society met at the home of Mrs. Warren Myer on Tuesday evening.

The dartball team played at West Camp, Monday.

Miss Jayne Ostroff of Cannonville visited Margaret Myer over the weekend and both returned to Oneonta State College, Monday.

Mr. and Mrs. Charles Kretz of Rockville Center and Mr. and Mrs. Edward O'Hara of Brooklyn visited Mr. and Mrs. James O'Hara on Sunday.

A joint Thanksgiving service will be held in the High Woods Church on Nov. 25 at 10 a. m. Mr. and Mrs. Fred Osterhoudt, Miss Sara Steinhilber spent Wednesday at Albany.

Japan has nearly doubled its production of matches in the last six months.

Card of Thanks
I wish to express my sincere thanks and appreciation to all the relatives, neighbors, friends, the Scranton Lace Mills, the weavers, and all the employees, for the many floral tributes, sympathy and acts of kindness, during the sudden death of my dearly beloved husband Fred R. Studt.
Signed,
MRS. FRED R. STUDT

DIED

ELLSWORTH—At Hurley, N. Y., November 21, 1948, Joseph Ellsworth, brother of Mrs. Elizabeth Hopper, Harry and Robert Ellsworth.

Funeral services from W. N. Conner Funeral Home, 296 Fair street, Wednesday, November 24, 1948, at 2 p. m. Interment in Hurley Cemetery.

FALLON—Margaret (nee Henney) on Monday, November 22, 1948, of 11 Clare avenue, wife of the late John P. Fallon, mother of Mrs. Veronica Alliger, Mrs. George W. Moore, Mrs. Marguerite McGeeney, Miss Anna C. Fallon, Edward C. Fallon, sister of Miss Anna Heaney.

Funeral will be held from the home of her son, Joseph P. Fallon, 52 Lucas avenue, Thursday morning, November 25, 1948, at 9:00 o'clock, thence to St. Joseph's Church, where a high Mass of requiem will be offered at 9:30 a. m., for the repose of her soul. Interment in St. Mary's Cemetery. Friends may call at the residence any time from Tuesday afternoon on.

NEEDS—In this city, November 21, 1948, Anna B. Needs, wife of the late Ralph Needs and mother of Claude L. Needs.

Funeral services will be held from the W. N. Conner Funeral Home, 296 Fair street, Wednesday, November 24, 1948, at 10:30 a. m. Interment in Fairview Cemetery, Stone Ridge, N. Y.

O'CONNOR—Suddenly at her home, 86 Cedar street, on November 21, 1948, Annabel R. O'Connor, daughter of Anna Neenan O'Connor and the late John P. O'Connor, and sister of John J. O'Connor.

Funeral will be held on Wednesday morning at 9 o'clock from the James M. Murphy Funeral Home and at St. Joseph's Church at 9:30 o'clock where a high Mass of requiem will be offered. Interment in the family plot in St. Mary's Cemetery.

Committees for Ahavath Israel Ball

The 12th annual Thanksgiving eve ball sponsored by Congregation Ahavath Israel will take place in the municipal auditorium, Wednesday night, featuring Johnny Long's broadcasting orchestra and a galaxy of entertainers. Those serving on committees for the social event are standing left to right: William Spiegel, Mrs. Harry Spiegel, Reuben Leventhal, Carl Upright, Moe Schwartz. Second row: Nathan Badian, David Mendel, Mrs. David Samuels, Mrs. Herman Rafalowsky. Seated: Benjamin Schechter, Mrs. Frank Plotke, Herman Rafalowsky, Mrs. William Zwick, Rabbi Ploke, Mrs. Murray Greene.

Education Board

Continued from Page One

286 home calls were made by school nurses.

In cooperation with the outside agencies, 3,505 pupils were tested for tuberculosis and 1,465 pupils were given X-rays.

The matter of nutrition was discussed at length by the board members. Dr. Nussbaum stated in his report that complaints have been registered regarding both the quality and quantity of food served in the school cafeterias.

It was pointed out that because of increased costs of supplies and labor, it is a difficult task to provide adequate lunches within the present budget. The board members agreed to consult with Dr. Nussbaum in seeking a solution to the problem.

Superintendent of Schools Arthur J. Laidlaw also pointed out that many of the school cafeterias in the elementary schools are handicapped by the lack of adequate cooking and storage equipment.

Two Resign Jobs

Other matters to come before the Board of Education Monday night included two resignations.

The resignation of Miss Grace Van Gonsic, a first grade teacher at Public School No. 6, was accepted with regret. Miss Van Gonsic, who resides at 28 Jefferson avenue, has taught in the Kingston schools for 21 years. The other resignation was that of Edward A. Hofbauer, a janitor at School 5, who resigned to take a civil service appointment with the U. S. Post Office Department.

The board voted to purchase from Encyclopedia Britannica, Inc., two Model AP-2C Viewflex strip projectors with carrying cases at a total net cost of \$141.46. These projectors are used with strips of film on which are various individual, or still, photographs. They are a part of the visual aid to education program, for which the money was included in the 1948-49 school budget. The board already has eight of these projectors in service, and the plan is to eventually have one in each grade school and two each in the Myron J. Michael School and the high school, according to Superintendent Laidlaw.

Also in its program of increased use of visual aids, the board approved the purchase of six Model OA-3 Bessler opaque projectors at \$250 each. These projectors are used to project on a screen opaque objects such as pages from magazines or photographic prints.

There are at present two such machines in use and this purchase will provide one for each of the elementary schools.

Another purchase authorized by the board was that of one Bell & Howell Filmosound Auditorium outfit with 1,000 watt lamp and cordomatic reel, with a 12 inch auxiliary speaker, at a total cost of \$721.35 less an allowance of \$50 for the old outfit, which is worn out. This will be purchased from William O'Reilly, Inc.

An order for three dozen 22-gallon ash cans will be placed with the low bidder, Valeo's Hardware Company, 640 Broadway, the board voted. The bid was \$102.

Insurance Is Extended
On recommendation of the insurance committee, the board authorized the extension of present insurance policies to include full coverage on such things as damage by vandals, fire, theft, explosion, hail, riot, vehicle, civil strife, smoke and smudge.

This additional coverage will cost an average of \$836 additional per year on the \$2,873,800 value of insurance now in force.

The present insurance covers only damage by fire and lightning, it was reported by Joseph Morgan, chairman of the insurance committee. The premium on this is \$21,355 a year, he said.

Robert H. Harzog, president of the board, commented that the extension of insurance to full coverage is a "universal practice," and that if the present policies were not extended and there occurred any damage not the result of fire or lightning, the companies would not be required to pay and "it would look as though we neglected our duty."

The electric scoreboard installed this season at the municipal stadium will also be insured, the board decided. The insurance coverage obtainable includes full coverage on most contingencies, such as fire, lightning, windstorm, hail, riot and aircraft, with \$50 deductible coverage for damage due to theft, malicious mischief, or vehicles. This will have a premium of \$60 per year. The board, it is thought, is valued at about \$3,000.

Superintendent Laidlaw said, of which \$1,800 represent the board itself and the remainder the wiring and other installations.

Superintendent Laidlaw announced that a waterproof tarpaulin has been installed over the board to protect it during the winter months.

A resolution was passed, in accordance with requirements of the municipal civil service commission, that the superintendent shall secure from each civil service employee of the education department, excepting laborers, a constitutional oath of office statement, and that these statements shall be filed with the city clerk.

The board authorized Clarence L. Dumm, principal of the high school, and Clifford L. Rall, principal of the Myron J. Michael School, to attend the New York Academic Principals meeting in Syracuse, December 2 to 4. Principals A. J. Boyd of School No. 5 and Raymond H. Rignall of School No. 6 were authorized to attend the New York State Elementary Principals meeting and the state Audio-Visual Education meeting at Syracuse, December 3 to 5.

A communication was received from Miss Audre Stinger, director for teen-age program of the Y.W.C.A., requesting permission to use the high school auditorium on Monday, December 6, for their Recognition Service for Y-Teens. It was pointed out by Mrs. Ruth Clair, chairman of the auditorium committee, that this Y-Teen group is non-sectarian and that all religions, Protestant, Catholic and Jewish, are represented. Permission was granted.

The superintendent's report on attendance for the month ending disclosed there were 4,847 pupils enrolled in all public schools on October 1. There were 86,101 aggregate days of attendance during the month of September, out of a possible 90,816.

Total of all pupils enrolled in both the public and private elementary and academic level schools in this city is 6,012. The highest enrollment is in the first grade, where 589 pupils are enrolled, of which 413 are in the public schools and 176 in the private schools.

The board authorized its president and clerk to draw warrants in payment of the payroll amounting to \$79,158.10, and vouchers amounting to \$14,493.67, for the month of November. The payroll and vouchers in the F.D.A. School Lunch Program amounted to \$7,238.73 for the month of October.

Superintendent Laidlaw reported the registration for the Kingston Evening school this year was 480 persons, of which 185 were women. This is a decrease of 37 men and 12 women from last year's enrollment.

There are eight classes in sewing, two each in art and wood-working, as well as classes in algebra and geometry, English, history, trigonometry, bookkeeping, shorthand, typewriting, Americanization, auto mechanics, machine shop, electricity, plumbing, metalcraft, ceramics, and possibly a class in modern or interpretive dancing will be formed.

Charles Katz reported that the visiting committee had inspected School No. 7 and found everything in order and the building in good repair. He particularly praised the kindergarten department, which, he said, is a "large, airy room, filled with sunshine. The children are happy and have lots of room to play," he said.

Katz also noted the increased use of bulletin boards, which, he said, "play an important part in the whole building, and show that the children have pride in their work."

He recommended the installation of one additional radiator in the basement playground, which now contains only one radiator and was slightly cool at the time of the visit. This basement room is used for recreation during inclement weather.

Superintendent Laidlaw announced that during the recent "Bundle Day" to collect clothing for the Save the Children campaign, a total of 180 bags of clothing weighing 3,300 pounds, was collected in the Kingston public schools.

The board adjourned subject to the call of the chair. President Herzog pointed out that, unless there is pressing business, it may be possible to hold no meeting in December.

Whale Attacked
A 60-foot whale took refuge recently in Sydney Harbor, Australia, with her 20-foot calf after they had been attacked by sharks.

Mine and oil workers strikes in Brazil are winning pay increases.

BY GAYNOR MADDOCK
NEA Staff Writer

Apple production is down this year compared to last—in fact the crop will be about 20 per cent below average. However, the apples you get will be very fine. Prices, of course, may be higher.

Here are some top eating-apple suggestions.

To wind up a hearty autumn dinner in high style, serve apples in their natural state and then "let digestion wait on appetite and health on both."

Apples and cheese are natural allies. For a sophisticated dessert, serve polished red apples with a variety of cheese spreads. As the apple is sliced, each slice is spread with cheese and eaten in the fingers.

Whether the lunch box travels to school or to work, tuck in an apple or two and a generous wedge of sharp American cheddar cheese.

A wonderful dessert combination is a bowl of gleaming apples and autumn grapes, accompanied by melting Camembert or crumbly Roquefort, crisp crackers and fragrant hot coffee.

Keep a bowl of apples in the living room where it will catch the glow of the hearthfire and tempt the late-evening appetites of those who must finish "one more" chapter before retiring.

Cranberries are good, too, this year. Here is a good cranberry recipe for your holiday files:

Cranberry Nut Bread
One cup cranberries, ½ cup sugar, 3 cups flour, 4 teaspoons baking powder, 1 teaspoon salt, ½ cup chopped walnuts, grated rind 1 orange, 1 egg, beaten, 1 cup milk, 2 tablespoons melted butter.

Put cranberries through food chopper; mix with half the sugar. Sift remaining sugar with dry ingredients; add nuts and orange rind. Combine beaten egg, milk and melted butter, and add flour mixture. Fold in sweetened cranberries. Bake in buttered bread pan in moderate oven (350 degrees F.) about 1 hour. This bread slices best when one day old.

TOMORROW'S MENU
BREAKFAST: Stewed prunes, ready-to-eat cereal, fried oatmeal mush, butter or fortified margarine, syrup, coffee, milk.
LUNCHEON: Split pea soup with frankfurter rings, rye bread, chopped egg and lettuce sandwiches, assorted hard candies, tea, milk.

DINNER: Creamed tuna and peas in casserole, with grated breadcrumb top, steamed quick rice, green beans, raw carrot sticks, enriched bread, butter or fortified margarine, sliced apples and cheese, coffee, milk.

Two Pedestrians Hurt By Cars Monday Night
Two pedestrians were injured slightly while walking on city streets Monday night, according to the police.

Walter Greene, 49 Court street, reported at 8:40 p. m., that Mrs. Martin Wynn, 274 Washington avenue, walked into the side of his auto at Washington avenue and Main street.

Greene said he was headed south on Washington avenue and the woman was crossing the street. She suffered a bruised left wrist and bruises of the left leg, the report said.

Stephen Gill, 444 Hasbrouck avenue reported at 8:45 p. m. that he was turning his car into Grand street from Broadway when it struck and knocked down Thomas Kiernan, whose address was not given.

Kiernan suffered a laceration over the right eye, but refused medical attention, Gill said.

In the time an elephant is producing one offspring, an cysterling able to lay 1,000,000,000 eggs.

\$106,000 Is . . .

Continued from Page One

"because of the favorable, and at times, startling results obtained by its use, many of our patients have been treated and the consumption has gone over 200 grams a month and will continue to rise regardless of its cost, which is still relatively high."

The high standard of the hospital, together with the Ulster County Board of Health, has caused recognition by the State Health Department, U. S. Public Health Service, the Rockefeller Foundation and other national agencies and during the year physicians from Chile, China, Greece and other countries have been referred to the hospital for training by the State and National Tuberculosis Associations.

During the past 12 months a total of 19,821 patient days have been utilized, or 96.6 per cent of possible maximum. There were 73 patients admitted, of whom 55 were new admissions, 60 patients were discharged and 13 died. An increased number of patients were operated on for thoracic lastly by the consulting Thoracic Surgeon Dr. Jacobson. Weekly clinical conferences were held at the hospital, attended by Dr. Jacobson, Dr. Holcomb and Dr. George James, county commissioner of health, as well as other physicians.

New Equipment Installed
New equipment has been installed and the Ulster county hospital is the only one in the Hudson valley to have tomographic equipment for body section radiography.

Dr. Weber pays his appreciation to Dr. Frangoulis, assistant; Miss Rau, supervising nurse; and the entire staff of the hospital for its cooperation.

Out-patient clinic service has been increased and clinics are held each Wednesday evening, since last summer in addition to the bi-weekly clinics in the afternoon. Fifty-eight field clinics were conducted in 17 places in the county. A total of 6020 X-ray examinations were made, 4,908 for clinic patients. Patients examined totaled 4281 or 36 per cent more than last year and 118 per cent more than two years ago. Field clinic examinations were 24 per cent of the year's total examinations.

The State Health Department mobile X-ray unit is now completing the X-raying of Kingston residents in addition to over 11,000 examined last spring in Wawarsing, Saugerties and New Paltz. In addition the Tuberculosis Hospital, in cooperation with the County Health Department, and school medical authorities, tuberculosis tested grade school pupils of these townships and the city of Kingston. Over 5,000 children were tested and less than 7% reacted. In 1933-35 when tests were given children over 14% reacted.

In the statistical and financial portion of the report Dr. Weber pointed out that the daily per capita cost during the past year per patient at the hospital was \$7.23, or 22% more than the previous year. This he points out is not high since the Kingston Hospital reports an increase of 39%.

During the past year the water tank was scraped and painted at a cost of \$1,600. Needed next year is painting of roofs and woodwork which will cost \$500. New mattresses are needed as well as additional kitchen equipment. Drugs will cost more and medical services will be higher due to more patients undergoing surgical collapse at the Kingston Hospital and since July 1948 the Tuberculosis Hospital has to pay for all special treatment which a patient may require in outside hospitals.

The 1949 budget anticipates need for \$90,977 for personal services and \$63,500 for operating expenses. State aid will be about \$48,000 to \$50,000.

The report was received, read and referred to the committee on appropriations.

A communication was received

SLEEP ON THE FLOOR
Doctors say: "Soft beds are very bad," but sleeping on the floor is just what they advise that you place a REST-WELL BED BOARD under your mattress. It will prevent backache and pains caused by oversoft beds. Also, improves sleeping posture so you sleep like a BABY. Made of ½" fibre, sold by all Good Dept. stores, drug stores and on Mid. by REST-WELL BED BOARD CO.

British Drive
To speed up production, the British Minister of Labor has launched a big drive to get part-time workers either at home or in factories.

from the Federated Sportsmen's Club of Ulster County thanking the board of its appropriation of \$1,000 last year which made possible restocking of streams with 2,717 legal sized trout this fall. The club asked for \$1,000 for next year and stated stocking of rabbits* to be considered in 1949. Referred to Committee on Appropriations.

A report was read announcing the federal grant of \$130,000 for the Tumor Clinic and also announcing the grant to the Benedictine Hospital of one-third of the estimated cost for a 100-bed addition to the hospital at a cost of \$1,272,000. Filed.

The Kingston City Laboratory made a report presenting the 1948 estimated budget of \$93,550, an increase of \$7,050 over 1948. The report stated 15,668 county specimens had been examined at no charge under the county contract. The board later ratified a contract with the laboratory under which county work will be done at a charge of \$20,000, one-half being refunded by the state. A resolution was offered that there be assessed and levied the sum of \$10,000 on the county outside the city of Kingston to meet this cost. Over under the rule.

The Committee on Commissioners of Election made a second report in which claims in the sum of \$50.50 were reported correct for audit and it was moved that this sum be assessed and levied against the county. Over.

The Committee on Insurance reported county buildings had been re-appraised and \$368,000 additional insurance placed. The total on all county buildings is \$1,097,075. There is also carried liability, theft and other forms of insurance on which the premium is \$13,345.54. In addition there is compensation insurance costing \$3,500. The committee is re-arranging the insurance so the county will shortly be on a five year budget plan which will provide for an equal distribution of premiums. Referred to Committee on Appropriations.

The Committee on Town and County Accounts reported town of Lloyd 13th installment sewer assessments in the sum of \$745.15 with 2 per cent interest to be added, bringing the total to be assessed to \$760.08.

Resolutions of the previous session were called up and adopted. Clerk Simpson requested returned water district tax amounts to be in by Friday, also he requested the bonded indebtedness sheets be in this week and he announced a meeting of the Committee on Salaries for 11 o'clock Friday.

The Board adjourned to Friday evening at 7:30 o'clock.

Treasury Receipts
Washington, Nov. 23 (AP)—The position of the treasury November 19: Receipts, \$147,647,131.67; expenditures, \$78,547,72; balance, \$47,740,749.73; customs receipts for month, \$24,030,496.22; receipts fiscal year July 1, \$13,400,902,144.85; expenditures fiscal year, \$13,267,064,814.04; excess of receipts, \$133,837,330.81; total debt, \$252,435,280,693.40; increase over previous day, \$11,537,223.83; gold assets, \$24,144,272,594.01. X—Is \$14,247,317, 163.22 counting foreign economic cooperation trust fund expenditures. Y—Is \$846,415,018.37 excess of expenditures counting expenditures above.

James A. Plunkett appears for defendant.

Hecht Case Dismissed
The charge against Edward Hecht was dismissed on motion of George Rusk, counsel. Hecht was charged with violation of Section 1906, Sub. 2, a charge of pointing a loaded gun at a person. David Lee Tatum, Marlborough, entered a plea of guilty to assault, second degree. Arthur A. Davis appeared for the defendant. Tatum had been charged with attempted robbery, first degree; assault, second degree, and also violation of Sect. 1897, Sub. 5-a. Tatum, who comes from Poughkeepsie, allegedly entered a Marlborough place and had in his possession a gun. He pointed the gun at a person in the place and said "this is a stick-up." The man in the place attempted to "duck" but Tatum mistook the action for a move to get a gun and ran from the place. He was later apprehended. Tatum said he had been born in a "little old place called Piney Grove, North Carolina" and had been convicted of robbery, assault and larceny in North Carolina in 1936. He will be sentenced on November 29 at 2 p. m. He was remanded to jail.

Louis Hicks, charged with burglary, first degree, and unlawful entry, appeared in court for assignment of counsel. He has pleaded not guilty. Francis Marwood was arraigned and the case went over until November 29, at 2 p. m.

Eckert Case Put Over
Edward James Eckert, 66, of Marlborough, was arraigned on a charge of assault, first and second degrees, for the alleged shooting of Francis Johnson, 39, last September 28, during a dispute over removal of screens from the Eckert house during painting operations. Eckert, since being brought to jail, has been in the hospital for an operation and was unable to be arraigned before. A plea of innocent was entered and Raymond Mino was assigned as counsel. Eckert claims to be practically blind. The case was put over to November 29 at 2 p. m. Judge Cashin adjourned the court until 10 a. m. on Saturday, November 27, when there will be an arraignment.

Accord Blue Baby
Continued from Page One
fant had the heart affliction three weeks after its birth in the Ellenville Hospital last Sept. 14.

Mrs. Parra had come from Venezuela last Aug. 26 to live with her parents in Accord so that the baby might be born an American citizen. She was advised by a doctor, after the child's ailment was discovered, that it would take two years before it could be determined whether an operation would help.

Mrs. Parra, meanwhile, desired to join her husband who is with the Venezuelan Department of Agriculture. A doctor permitted the plane trip when it was learned that the plane's cabin would be pressurized and oxygen available. By coincidence, two Venezuelan doctors were among the plane's 31 passengers.

Two Pedestrians Hurt By Cars Monday Night
Two pedestrians were injured slightly while walking on city streets Monday night, according to the police.

Walter Greene, 49 Court street, reported at 8:40 p. m., that Mrs. Martin Wynn, 274 Washington avenue, walked into the side of his auto at Washington avenue and Main street.

Greene said he was headed south on Washington avenue and the woman was crossing the street. She suffered a bruised left wrist and bruises of the left leg, the report said.

Stephen Gill, 444 Hasbrouck avenue reported at 8:45 p. m. that he was turning his car into Grand street from Broadway when it struck and knocked down Thomas Kiernan, whose address was not given.

Kiernan suffered a laceration over the right eye, but refused medical attention, Gill said.

In the time an elephant is producing one offspring, an cysterling able to lay 1,000,000,000 eggs.

Psychologist Says You Can Will Flies And Skeeters Away

Durham, N. C., Nov. 23 (AP)—If this works, you ought to be able to influence flies and mosquitoes with your will power, so that they won't bite so often.

You fix attention on the pests, and concentrate on the idea that you want them to move away from you.

The basis for this is an experiment reported today in the *Psychology Bulletin*, Duke University Press. It states that C. Nigel Richmond, son of the late English psychiatrist, Kenneth Richmond, who was research officer for the Society of Psychological Research in London during the war, tried the power of mind over paramnesia.

The paramnesia is a slipper-shaped, single-cell animal that lives in ponds. He is just a bit of jelly without any structure, and certainly no sign of a brain.

These water-bugs are very tiny. Richmond placed them, one at a time, on a glass slide under a microscope at a center spot where four fine lines intersected, so that it was easy to see which way the paramnesia moved.

When a paramnesia was on the cross-spot, Nigel turned up a card, at random, from a deck. The card was marked as his cue for what direction he should will the paramnesia to move on the glass slide.

Each time he spent 15 seconds willing. Then the bug's position was recorded. In all, he willed 1,495 paramnesia. In 927 cases the animals went the direction he willed.

"This," says the bulletin, "was 179.3 above chance expectation, a number which would be expected by chance only once in billions of such series."

Richmond does not consider the matter finally proven. He wants other experimenters to try. The idea came from experiments originating at Duke in successfully influencing the fall of dice by concentrating on the number you want.

Newspaper Guild Would Quit I.O.J.

New York, Nov. 23 (AP)—A recommendation that the C.I.O. American Newspaper Guild withdraw from the International Organization of Journalists will be made to the Guild's Executive Board at a meeting in February.

Harry Martin, Memphis newspaperman and A. N. G. president, said yesterday he would make such a recommendation of attacks in the United States by press delegates from eastern European countries.

The attacks were made November 13 in Budapest at a meeting of the International Organization of Journalists. Martin walked out of the meeting after the eastern delegates' criticisms.

Martin, arriving here by plane from Europe, said he would attend the current C.I.O. convention in Portland, Ore., and report directly to C.I.O. President Philip Murray "on what I have seen in Europe."

The A. N. G. president said he also would recommend that his group join with British, Scandinavian and "other free newspaper unions" in the formation of a new international body.

unsolved problems," but declared they are a preventable disease. There are hundreds of such cases annually, and about 43 per cent of the infants die, he said. The younger they are, the greater the danger. Dr. Smith urged six steps to prevent such epidemics.

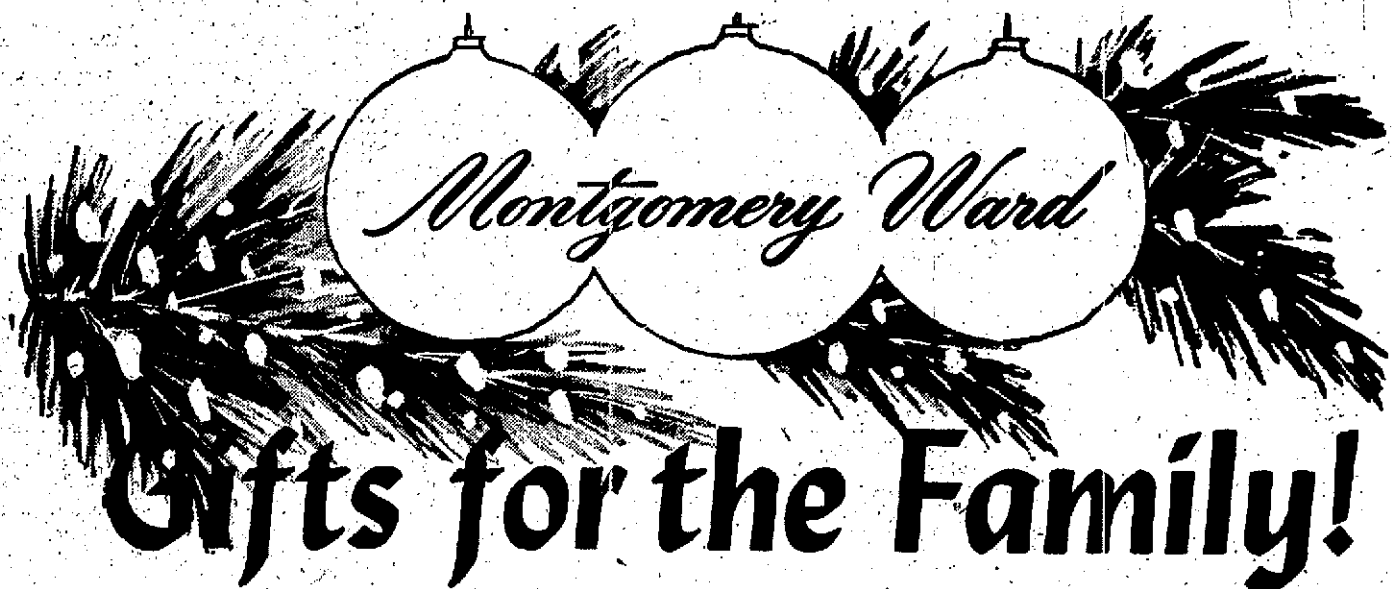

One main precaution is to exclude from the nursery any nurse or person with a cold, he said. Often the disease is started by some one with a virus respiratory infection. Secondly, every care should be taken to keep feeding bottles, nipples sterile. The disease can be

started by careless handling of nipples, he said.

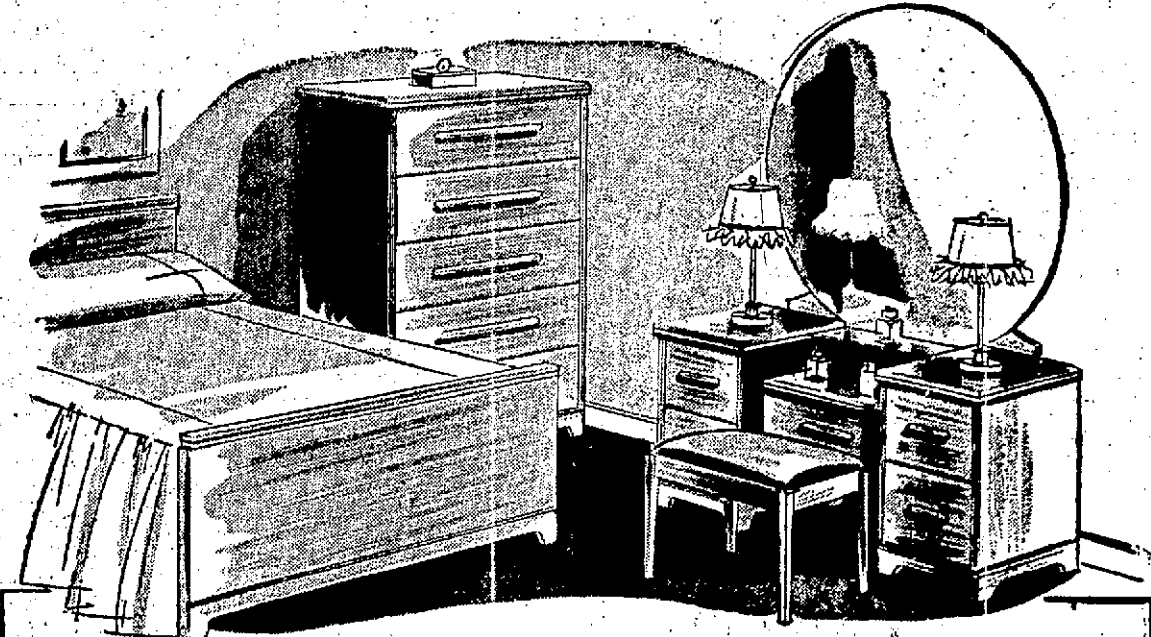

Nurseries should be under supervision of pediatricians rather than the obstetrical service of the hospital, he added. Infants should be kept warmly clothed. They should be "breast-fed" whenever

possible, and "it would be possible to have 90 per cent of babies breast fed if proper methods were used."

When artificial feeding is necessary, he said, "it should be started gradually, with the formula not made too strong at first."

ELLENVILLE NEWS

Ellenville, Nov. 19.—A number of hunters from this vicinity were successful in bagging deer at the opening of the season Monday, but it remained for James Cleary to have the most memorable experience of all those who sallied forth—even though he did not get the deer he was following, James and his brother, Raymond, left their home near Napanoch about 4 o'clock Monday morning and entered the woods in the Winnisnook Lodge neighborhood. They became separated and nothing further was heard of from James until he finally made his way to Phoenixia and telephoned his family about 4 o'clock Tuesday afternoon. He had tramped some 25 miles through the woods, going over Slide Mountain during the course of his wanderings. Fortunately he had the good sense to stop walking as night drew on Monday, found a cave, built a fire and stopped for the night. Tuesday morning he resumed the search for a way out, struck the Woodland Valley stream, followed it down and met two hunters who directed him to Phoenixia. Meanwhile his family and friends, becoming alarmed, had started a search for him Monday night and Tuesday preparations were under way to send a large searching party through the woods. Vince Guntlow and Don Hilly in a plane flew over the area Tuesday, but as it turned out James had gone in a direction away from the searching parties.

Robert McConnell, Sr., not only got an eight-point buck Monday in the Cherrytown area, but for good measure shot a bear reported to have weighed about 350 pounds dressed. Other lucky hunters reported are: Donald Sprague a 150 pound buck near Willowemoc; Walter Backman, John Townsend, Carl Miller, Harry McCombs and Roger

Peters, each a buck in the Shawangunks; Augustus Hull a buck near Pottersville; Sam Karl one at Mountain Dale.

R. A. Benson, chairman of the joint Noonday Club and Chamber of Commerce committee on Christmas decorations, reported to the club Tuesday night that to date \$1,781.90 had been collected from about 70 contributors, with \$80 in pledges. The committee needs \$2,500 for the work.

Directors of the Veterans Memorial Hospital have re-elected all officers for another year. They are: Robert Stapleton, president; Joseph Slutsky, vice-president; William R. Rose, treasurer; Herbert O. Hess, secretary; Benjamin Dunstein, chairman of the summer fund committee reported that activities the past summer had netted \$2,849.78 at hotels and summer resorts. Action was tabled for a week on bids for addition and alterations to the hospital building, as the lowest aggregate bid for the work was \$132,000 in excess of the architect's estimate.

Recent births at the Veterans Memorial Hospital: (Son to Mr. and Mrs. William Carlisle of Kerhonkson; son to Mr. and Mrs. Harrison Krom of Ellenville; daughter to Mr. and Mrs. George A. Reynolds of Ellenville; daughter to Mr. and Mrs. Robert Bessimer of Kerhonkson; daughter to Mr. and Mrs. Mitchell Avery of Kerhonkson; son to Mr. and Mrs. Stephen Longstrech of Greenfield; son to Mr. and Mrs. Robert Mansfield of Briggs street; son to Mr. and Mrs. Floyd P. Ball of Kerhonkson; daughter to Mr. and Mrs. John Yerkins of Wawarsing.

Town Clerk Lawrence D. Craft reported that up to Wednesday night he had issued over 700 licenses to deer hunters.

Supervising Principal Thomas J. Duffield reported to the Board of Education that the rate Ellenville schools must pay for employees who are eligible under the state employees retirement system is 12.3904 per cent of salary.

Albert Pinkerous, six-year-old son of Mr. and Mrs. Stanley Pinkerous of Ellenville, was selected as the child in the town of Wawarsing who most resembles the boy on the 1948 Christmas seal. He was selected from among 11 contestants from the kindergarten and first and second grades in the Kerhonkson, Napanoch and Ellenville schools. The contest was sponsored by the P.T.A.

The meeting of the Past Masters of Wawarsing Chapter O.E.S., held at the home of Mr. and Mrs. William Thornton, Spring Glen, Nov. 13, was in honor of Mrs. Anne Saylor, new district deputy grand matron.

Parking meter collections have dropped below the \$200 mark total for the seven days ended Nov. 16 being \$192.64.

Mr. and Mrs. Harold Booth, new home owners in the Westwood Hills development, appeared at the village's annual grievance day to protest the assessment of \$3,500 placed upon their property. They believed it was high in proportion to assessments on older properties. They also said they

believed most new properties were being assessed in a like manner.

Mrs. Mildred Marvin, Mrs. Grace Terwilliger, Miss Yvonne Gardiol and Miss Mary Baxter accompanied 40 Ellenville High School students to Newburgh to hear the Robert Shaw Chorale.

A farewell party and turkey dinner was tendered to Mr. and Mrs. Arthur Terwilliger at the home of Mr. and Mrs. Sidney D. Delaney. Mr. and Mrs. Terwilliger, who have served with the telephone company here for 20 years, has been promoted to service foreman at Monticello.

The annual union Thanksgiving service will be held Thursday morning at 10 o'clock at Christ Lutheran Church. The sermon will be by the Rev. J. Elmer Cates of the Methodist Church.

Morton Barrow and family of Barrow Lodge, Bushkill, have returned to Ellenville for the winter.

Mrs. John McDole has returned home after supervising the picking of her orange crop at her grove near DeLand, Fla. While there she attended a convention of orange growers who are opposing the artificial coloring of fruit.

Mrs. Francis D. Andrews is visiting at the home of her daughter, Mrs. Thomas Hennessy, in Leonia, N. J.

Miss Agnes Tonery, who has been a patient at the Veterans Memorial Hospital, following an operation, has returned to her home in Napanoch.

Mrs. Alice Elting Boland of Ocean City, N. J., has been visiting her sister, Mrs. George E. Terwilliger.

The Misses Lucille and Celia

Rosenberg have left for Miami Beach, where they expect to spend the winter.

Mrs. E. Boyce TerBush has been spending the week with her daughter, Dorothy, in Syracuse and attending the state meeting of the Home Bureau.

Mr. and Mrs. Mendon Savels of Worcester, Mass., are visiting her mother, Mrs. Helen DuBuis.

Henry Solomon was taken November 14 to the Veterans Hospital in the Bronx, for observation and treatment.

Melvin Cruver has left for Miami, where he expects to remain for a couple of months.

Andrew H. Brown has been at his home the past week, following a heart attack during the week-end.

Mr. and Mrs. Ralph Hiatt left Tuesday for New York, where they expect to spend some time.

Charles Grant, who underwent a major operation in the Veterans Hospital, the Bronx, November 18, is reported to be getting along satisfactorily.

Mrs. John Rippert, who has been a patient at Woodside Sanitarium, Napanoch, for several weeks, has returned to her home in Ellenville.

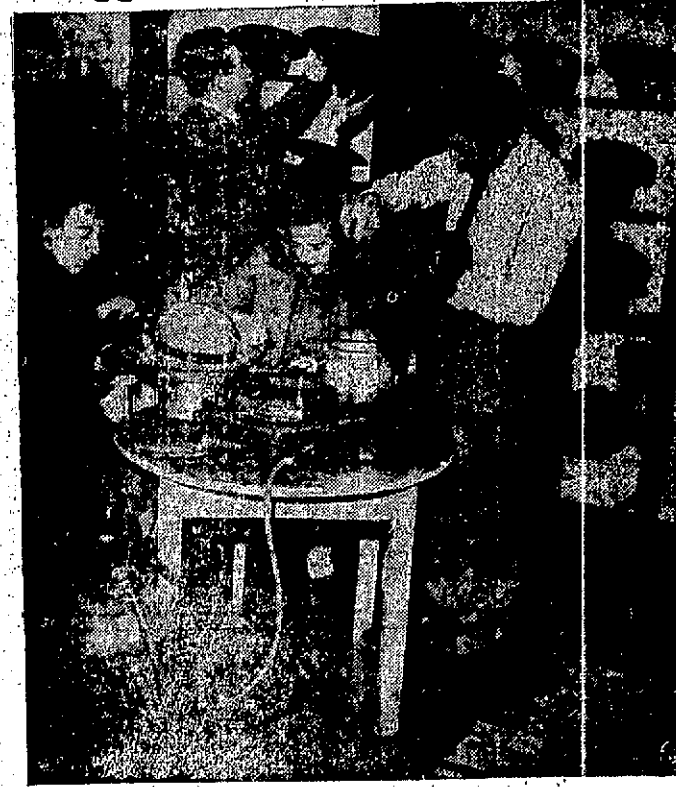

Powerful

A modern hunting arrow, propelled by a 65-pound bow, will pass completely through a large animal's body unless stopped by a heavy bone, according to the Encyclopedia Britannica.

Woman's World

The average homemaker, it has been found, spends 70 per cent of her time in the kitchen. She walks from two and one-half to 11 miles a day, and carries 20 tons of water a year.

Smuggled Gas Blocks Berlin's Hats

Berliners in the western sector, suffering from a fuel shortage resulting from the blockade, have turned to smuggling to get enough gas. The "propangas," a gasoline by-product, is brought from the Russian zone in trucks. This store uses a container of propangas to heat its hat-blocking equipment. Letter to Santa

Dear Santa:

I saw the loveliest electric range today! Can't you kind of whisper into my husband's ear to get it for me? It's got so many things I like.

It's so safe.....and with the children around both my husband and I will appreciate that!

It's so low cost to use.....the men in the store told me that an average family can cook electrically for around 7¢ a day - about \$2.00 a month. That would not hardly put a dent in our household budget!

It's got a time clock.....I can put my whole meal in the oven, set the clock for heat on and heat off, and get out of that kitchen anytime I like. Have meals ready on time, too!

It's so clean.....I'll bet I won't have to scour blackened pots and pans the way I do now. And with no open flames the kitchen and the whole house should stay cleaner, too. That'll help!

It's so certain.....with the same amount of constant heat all the time, I know I'll be able to do my cooking job better. Jim will go for that!

Please, Santa, see what you can do. I'll help, too. They say that constant dripping water will wear away a stone. Jim's no stone - but a hint or two dropped now and then.....well, you know how it is!

Sincerely,

Mary

Public Asked to Provide Items for Gift Shops At Veterans' Hospitals by Legion Auxiliary

The American Legion Auxiliary asks the cooperation and generosity of the public in helping with the Christmas Shop program for veterans' hospitals. Gift shops will be set up at all veterans' hospitals, again this year, in which all hospitalized veterans can Christmas shop for their families back home at no expense to themselves.

Anyone desiring to help in this worthy cause is asked to leave the gifts at the American Legion Memorial Building, West O'Reilly street, before December 1.

Things that are desirable for gifts should be at least worth 50c, not breakable and not jewelry. Such things as men's ties, socks, handkerchiefs and pipes; women's handkerchiefs, aprons, scarves, gloves and toys for the children would make suitable gifts.

The Auxiliary requests that the

gifts not be gift wrapped because the veteran must see the items to make his selection for his family, however, wrappings and cards should be enclosed.

"Taking part in this program," says Miss Alice Seardfield, president of the local auxiliary, "will make your own Christmas brighter and happier, because we have not forgotten the men who did so much for us."

The auxiliary always starts the holiday season by remembering the hospitalized veterans," she continued. "Each hospitalized veteran receives a personal gift from the American Legion Auxiliary which is made possible by funds raised during the year for this purpose."

In addition the auxiliary arranges the gift shops and with the generosity of the public will provide the veterans with gifts to be sent home," she concluded.

Delta Kappa Honors Eight New Members

New Paltz, Nov. 23—Delta Kappa Fraternity held a dinner in honor of its newest members at the Old Fort, Wednesday, November 17. After the meal the fraternity men and their guests proceeded to the Kappa House for formal initiation.

The dinner was served among the colonial surroundings of the Old Fort, which was among the first permanent buildings to be erected in New Paltz. A brief humorous after dinner speech was given by Roy W. Crosswell, Jr., D.K.'s president. Mr. Crosswell is the son of Mr. and Mrs. Roy W. Crosswell, Sr., 342 South Wall street, Kingston.

Among those initiated during the solemn ceremony at Kappa House were Miss Joyce Colburn, Ignace Feuerlicht, Alfred B. Rolins, Jr., Miss Vera Rushforth, George Dantier, Martin Besdesky, George Rhodes and John Tarranta.

Roy Crosswell, in his concluding address reminded those present of the high ideals for which all must strive. The world is in dire need of leaders, men with initiative, courage and a sincere belief in the potential goodness of man. He emphasized that Delta Kappa must strive always to provide leadership, not only in college affairs but in the field of education.

The church of Hagia Sophia in Constantinople, and St. Mark's in Venice, are judged the finest examples of Byzantine architecture.

Betrothal Announced At Anniversary Party

A surprise dinner party was given Mr. and Mrs. Edwin Schwab of Kerhonkson recently in honor of their 25th wedding anniversary. The party was held at the home of Charles Brust, Palen-ton.

A second surprise at the party was the announcement of the engagement of Miss June Williams, daughter of Mr. and Mrs. Arthur Williams of Goshen, Conn., to Harold Schwab, son of Mr. and Mrs. Edwin Schwab.

For the occasion the dining room was decorated in silver and white streamers, red roses and white asters. Mrs. Schwab wore orchids and the guests each had a red rose boutonniere.

Mr. Brust presented Mr. and Mrs. Schwab with a 106-piece set of Community silver in behalf of the guests and also all the silver heirlooms belonging to Mrs. Tammie Schwab, mother of Edwin Schwab. Music and dancing were enjoyed.

Guests were Mr. and Mrs. Charles Brust, Mrs. Tammie Schwab, Harold Schwab, Mr. and Mrs. George Schwab, Mr. and Mrs. Herbert Klippel, Mr. and Mrs. Wilson Terwilliger of Kerhonkson, Mr. and Mrs. Arthur Williams and daughters, Thelma, June and Gladys from Windy Top Farm, Goshen, Conn.

Sixty centuries ago, Egyptian priests made weather forecasts from the summits of their temples nightly.

Good Taste Today

By Emily Post

(Author of "Etiquette," "Children Are People," etc.)

ENVELOPES FOR COMMENCEMENT INVITATIONS

The sales representative for the X-Engraving Company writes: "I often am asked if it is correct, or at least socially acceptable, to use only one envelope with high school and college commencement invitations or announcements. Will you please advise me? Since the extra envelope adds materially to the price, it is not socially necessary, we can save scarce paper and at the same time help to keep prices down."

Certainly you can save this extra expense. In fact, only formally engraved wedding invitations require two envelopes.

Refusing Early Invitation

Dear Mrs. Post: Sometimes, you will agree, there are logical reasons why one does not wish to accept certain people's invitations. If these people continue to invite me even though I have been refusing by explaining that I was busy for that time, how can I refuse with the same excuse when asked far in advance of the date?

Answer: You might say that you are sorry but you can't make an engagement so far ahead because you are not sure of being in town. This is the answer many busy people have to give, since it is a definite breach of etiquette to break an engagement after having made it.

Announcing Yourself to Mrs. Employer

Dear Mrs. Post: I have been with my employer a number of years and have spoken to his wife on the telephone quite often. I do not know her personally, but I am beginning to feel self-conscious about announcing myself to her on the telephone as Miss Blank. I feel that I should say "Mary Blank." What is your opinion?

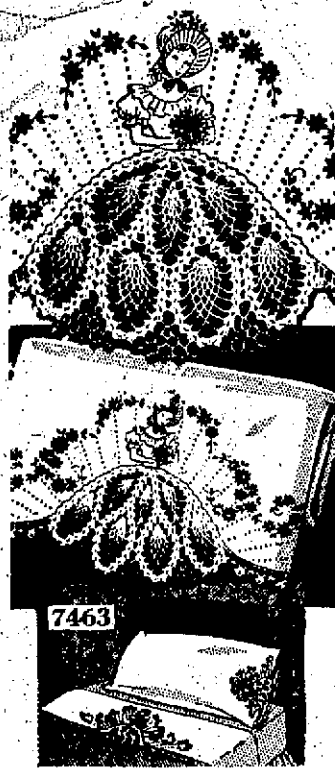

Answer: "This is Miss Blank" is best business form unless you know her very well and she calls you "Mary."

Dear Mrs. Post: When staying on the same train for a number of days, may one go into the dining-car without a hat?

Answer: Certainly. On a long journey very few women leave their hats on.

A party for the silver wedding anniversary is included in Mrs.

Flowery Linens!

Club Notices

Baptist Men's Club

The annual Thanksgiving program of the Men's Club of the First Baptist Church, Albany avenue at Broadway, will be held Wednesday evening at 7:30 p. m., with the Men's Club of the Port Ewen Reformed Church as guests. The program will include moving pictures by the Rev. Herbert Kilmer, pastor of the Trinity Methodist Church, musical selections, recreation and refreshments. A brief business session will be conducted by Albert Sonnenberg, president.

Clinton Avenue Choir Mothers Choir Mothers Organization of Clinton Avenue Methodist Church will meet Wednesday at 8 o'clock in Epworth parlors.

Doers Class

The November meeting of the Doers Class, Trinity Methodist Church, will be held Friday at 8 p. m. at the home of Mrs. George Long, 28 West Chester street. Election of officers will take place. Plans will be made for the annual Christmas party Friday, December 17.

Mrs. Hill Plans Marriage

To Clarence A. Boughton New York, Nov. 22.—A license to wed was obtained at the City Clerk's Office here today by Mrs. Agnes Vetter Hill, of 65 Staples street, Kingston, and Clarence A. Boughton, formerly of Kingston, now at 418 East 83rd street, New York.

Mrs. Hill was born in Kingston, the daughter of John and Mary Vetter. She is the widow of Thomas Hill who died in 1934. Mr. Boughton was also born in Kingston, the son of Arthur and Anna Cole Boughton.

The couple said they would be married soon.

Bicycles Could Be Given for Children

Some of the older boys and girls of the Children's Home, 77 East Chester street, could be made happy by the presentation of used bicycles. Arrangements will be made by the board of managers for collecting any bicycle given to the children. Donors may call the home, telephone 1448.

At Reception

MR. AND MRS. VINCENT D. ECKERT

Vincent D. Eckert Weds Rose Wadanola In St. Mary's Church

St. Mary's Church was the setting Sunday at 2:30 p. m. for the wedding of Miss Rose Marie Wadanola, daughter of Mr. and Mrs. John Wadanola of 116 Broadway, to Vincent Douglas Eckert, son of Mr. and Mrs. Vincent Eckert, 19 Oak street. The Rev. John A. Flaherty performed the double ring ceremony.

Miss Winifred Entrott sang Ave Maria by Franz Schubert, and Theodore Riccoboni was organist. The altar was decorated with bouquets of white and yellow chrysanthemums and candles.

Mr. Wadanola escorted his daughter. Her gown of heavy high sheer neckline yoke embroidered with seed pearls and crystals; a long court train lace edged over a full bouffant satin skirt. Her long veil of imported French illusion was trimmed with chantilly lace and caught to an antique queen tiara of rhinestones and pearls studded with lilacs of the valley. She carried a nosegay of white rosebuds and achillea.

Miss Jennie Wadanola, only sister of the bride, as maid of honor wore an orchid tulle taffeta gown. The bridesmaids were Miss Catherine McCloskey in American beauty tulle taffeta and Miss Eleanor McCloskey in peacock blue tulle taffeta. All wore picture hats to match their gowns and carried nosegays of yellow rosebuds. Judith Ann Wadanola, cousin of the bride, as flower girl, wore a yellow gown with halo of yellow flowers and carried a nosegay of pink rosebuds.

Raymond Kilmer was best man. Clayton Stalter and Herbert Sutton were ushers. Roland Purhamus, cousin of the bride, was ringbearer.

Immediately following the ceremony, a reception for 400 guests was held at the Yacht Club. Out-of-town guests were present from Buffalo, Troy, Athens, New York, Connecticut, and Philadelphia, Pa. Mr. and Mrs. Eckert left for a wedding trip to the southern and western part of the state. For traveling she chose a black gabardine suit and topper, pink blouse, black hat with pink plume, black accessories and corsage of white

rosebuds. They will reside at 88 Broadway.

The bride, a graduate of Kingston High School, is employed in the plant department of the New York Telephone Co. Mr. Eckert is a driver for Perry's Taxi. He is a graduate of Tannersville Central High School and served 32 months in the army. He was in Europe for 19 months.

Florence Cline Given Shower; Wedding Sunday

A surprise bridal shower was given in honor of Miss Florence Cline, 32 Stuyvesant street, at 147 Abel street Wednesday evening. Co-hostesses were Mrs. Hugh O'Neil, Miss Joan O'Neil and Miss Marylou Klarick. Decorations were in blue and yellow. An umbrella was suspended from the middle of the room under which was placed a well filled gift box. Those attending were the Mes. Hugh O'Neil, Sr., Charles Pavlidis, Frank Grant, St. Frank Grant, Jr., Frank Woerner, William Cline, Michael Cline, Burton Cline, John Cline, Edward Jones, John Howard, Bernard Roach, Carl MacDonald, Samuel Appa, Robert Bowers, A. Bonomo, R. Mayer, George Duffy, Edward Corcoran, Richard Gimenez, E. Blansch, A. Leonardo, B. Tedesco, John Klarick, and the Mes. Margaret O'Neil, Joan O'Neil, Shirley Cline, Kathleen Klarick, Joan Rowe, Nan Anato, Gwendolyn Longendyke, Joan and Dorothy Brandt, Gloria Koepen, Jean Gemmell, Betty Wagner, Lucie Pizana, Teresa Naccarato. Miss Cline will become the bride of Ronald O'Neil, 147 Abel street Sunday.

V.F.W. Auxiliary Has Anniversary

Ladies' Auxiliary of Joyce Schrick Post, 1386 Veterans of Foreign Wars celebrated their first anniversary Sunday evening at the post rooms, 552 Delaware avenue.

The members had as their guests, members of the Saugerties Post and auxiliary. A covered dish supper was served. The evening was spent in dancing and community singing.

Annual Barn Festival At Phoenixia Church Hall Wednesday Night

The annual barn festival sponsored by the Holy Name Society will be held Thanksgiving Eve in St. Francis de Sales Hall, Phoenixia. The society will be assisted by the Ladies of LaSalette. To suit the occasion, the spacious pine-paneled hall has been converted into a barn-like setting. The entertainment will include modern and square dancing to the tempo of Frank Constable and his orchestra.

Among the features will be the grand march by those in costume. Awards will be made for the quaintest, most unique and most ingenious. The march will be open to all ages. During the entertainment, refreshments will be served.

Townsend Club Kingston Townsend Club 1, will sponsor a card party Wednesday evening at Mechanics' Hall, 14 Henry street, starting at 8:30 o'clock. Refreshments will be served. The public is invited.

Joseph DeWitt Marries
Mary Peck at Personage
The marriage of Miss Mary Peck and Joseph DeWitt, both of Haverbrook avenue, was performed Saturday at 9 p. m. in the parsonage of Trinity Methodist Church, Wurts street. The Rev. Herbert Killander, pastor, officiated.
Attendants were Mr. and Mrs. James Seism, brother-in-law and sister of the bride.

Smith-Miller Nuptials Held In Port Ewen

Port Ewen, Nov. 23—Miss Eileen May Miller, daughter of Mrs. Loretta Miller, became the bride of Daniel Smith, son of Mr. and Mrs. Richard Smith, Abel street, Kingston, Sunday at 2 p. m. The double ring ceremony was performed by the Rev. Joseph Comyns at 2 p. m. in the Church of the Presentation.
Miss Carolyn Munnely was organist. John Long sang "On This Day, O Beautiful Mother, and Ave Maria." The church was decorated with white chrysanthemums and candles.

The bride was escorted by her uncle, Thomas, Ball of Jersey City, N. J. She wore a white satin gown trimmed with seed pearls, long sleeves and a train. Her fingertip veil was caught with mother of pearls and she carried a mother of pearl prayer book marked with ribbon and mounted with gardenias.
Miss Elizabeth Smith, sister of the bridegroom as maid of honor, wore a fuchsia gown with matching picture hat and carried yellow chrysanthemums.

Thomas A. Miller, brother of the bride, was best man. Ushers were Arthur Hayes of Kingston, cousin of the bride, and Frederick Smith, brother of the bridegroom.
The bridal party received 200 guests at St. Leo's Hall. Afterward Mr. and Mrs. Smith left for a wedding trip to New York. She wore a brown dress, beaver coat, brown hat, black accessories and corsage of gardenias. They will live at 105 Abel street.

Mrs. Smith attended Kingston High School and is employed by Colonial Manufacturing Co. Mr. Smith is a graduate of Kingston High School and is employed at Hercules Powder Co. He is a veteran of World War 2 in which he served in the air force.

Suppers & Food Sales

Roast Beef
Ladies' Aid Society of Flatbush Reformed Church will hold a roast beef supper December 2, with serving to start at 5:30 p. m. Homemade articles suitable for Christmas gifts will be for sale also. The public is invited.

Home Baked Sale
Mount Marion Reformed Church will hold a home-baked food sale Saturday, December 4, starting at 11 a. m. in Montgomery Ward's store basement. All kinds of food will be on sale.

Church Service
Union Thanksgiving Services for Trinity Methodist and Roundout Presbyterian Wurts Street Baptist Churches will be held at Trinity Methodist Church Wednesday evening. The Rev. Wayne Williams, pastor of the Methodist churches at Ashokan and West Hurley will be the speaker. The public is invited to the services which begin at 7:30 o'clock.

400 Cases of Juice For the Needy Here

The Campbell Soup Company has donated \$5,000 worth of V-8 vegetable juice to the Kingston Salvation Army for distribution among needy people of Kingston. This amounts to about 400 cases, Captain Gibbs of the Salvation Army announced today.
Captain Gibbs will distribute the juice to needy families of Kingston who call at the Salvation Army Youth Center, 90-96 North Front street, between 9:30 and 11 o'clock Wednesday morning.

After Wedding Sunday

MR. AND MRS. DANIEL SMITH (Grosby Photo)

Personal Notes

Mr. and Mrs. Leo Wojciechowski of 327 Third avenue celebrated their sixth wedding anniversary Monday.
Mrs. William Van Houten of 19 Janet street left Monday for Sarasota, Fla., where she will make her home.

St. Lawrence Representative

To Meet High School Students
Canton, Nov. 23—J. Moreau Brown, 3rd, director of admissions at St. Lawrence University, will visit Kingston High School at 2 p. m. December 10 to meet students interested in attending college. Mr. Brown is currently

making a tour of more than 60 secondary and preparatory schools in New York, New Jersey and Pennsylvania.

Rienzo to See Limited Duty Against Newburgh

Halfback's Return Cheers KHS Squad

Mike Rienzo, Kingston High's ace left halfback, will probably see limited service against Newburgh Free Academy in the traditional Turkey Day clash in the Hill City Thursday. Coach Bill Burke announced today.

Despite the pitfalls that sometimes ensue to topheavy favorites in traditional ball games, Kingston and Port Jervis have been installed as favorites over the Academicians and Middletown.

Kingston can wrap up its second title in three years under Bill Burke by winning. Although Port has dropped only one game, the Joker in the deck is the trispartite tie with Middletown.

The Maroon has a 4-1 record with Port Jervis showing 3-1-1. If both teams lose or tie, Kingston still wins.

Squad Cheered
News of Rienzo's appearance in uniform spread a wave of optimism through the Maroon football ranks and through the classrooms on Burke Hill. Mike's presence alone is a psychological factor that cannot be discounted.

The veteran backfield ace took part in running signal drill last night and while not in top shape apparently is capable of spot assignments if the going gets tough. Coach Burke said Rienzo could be very valuable on pass defense.

Meanwhile the news from Newburgh is depressing from an Academy standpoint. The shock of Frank Coulard's near fatal injury in the Peckskill game has visibly affected the Goldbacks, while Dick Tyler, their best back is not in top shape. A few other key players are supposed to be banged up.

All of which adds up to a bad time for Kingston, anyway you look at it. They may even brush off the old psychological maneuver and exhort the Academicians to "win this one for Coulard."

In any event they're keeping very quiet in the Hill City. In this case the silence could be ominous.

Release Due Today For Stricken Boxer
New Haven, Conn., Nov. 23 (AP)—A spokesman at New Haven Hospital said today it was probable that boxer George Knox would be released from the institution sometime today.

Knox, a lightweight fighter collapsed in the area ring last night after being knocked out by Mel Noury of Philadelphia in the first round of a scheduled eight rounder.

The hospital spokesman said that Knox was unconscious when he was brought into the hospital but regained consciousness shortly after his arrival.

In The Pocket

with CHARLIE TIANO

Bagatelles:

There isn't anything the matter with Notre Dame football that two or three defeats wouldn't cure. If that ever happens, watch the rush to get back on the schedule from practically everybody. The Soviet Information Bureau claims Russia won the Olympic games. The little detail of the Soviets not competing doesn't bother brother Platon Ippolitov, who wrote the piece. Comrade Ippolitov stakes his claim on the fact that Russian athletes have bettered almost all of the Olympic winning marks. It's the first time anybody who didn't play has been a sore loser.

Flotsam and Jetsam:

The hidden inspirational factor that lurks in all "traditional" football games is what Kingston High has to guard against Thanksgiving Day. If there is still anything inspirational left in that DUSO endorser, Port's Joe Pinkala seems like a cinch for an All-DUSO endorser. Tradition is a great lever in football. Else how can you account for Pitt 7, Penn State 0, California 7, Stanford 6, Penn State and Ohio won all the statistics but Michigan and Pittsburgh won the ball games. Dick Kleiner quip: Having added Herman Franks to Frankie Frisch and Freddie Fitzsimmons the Giants will have to watch out. One more and the coaching staff will be 4-F. And, mind you, we're not saying a thing about that ball club.

Of Men and Mice:

Aubrey Berry of West Hurley claims two deer for the season. But don't get excited, it's perfectly legal. He bagged one in New Hampshire and another near Wittenberg. Jack Dempsey told a Newburgh audience last week that Melio Bettina was a better fighter than any of Joe Louis' pre-war opponents and should have had a crack at the Brown Bomber. The Old Mauter claims Louis' handlers were not over anxious to have the champion tangle with southpaw Melio. Bettina, incidentally has racked up eight straight in his comeback campaign. He is now 32 years old. With Nyack and Bloomingdale dropping out of the North Atlantic League, that famous windbag, Ernie "Duke" Landgraf may yet realize his dream of an all-Pennsylvania setup, if the league doesn't fold wide open. Ben Becker's Philip Schuyler High eleven of Albany wound up undefeated and 1948 champions of the capital district. They beat Newburgh, 6-0.

NOVELETTE: For ten long years Harold Broskie's bowling teammates have been dreaming of the day he would show up on time. Until Sunday, it was the same old story. Broskie would always be late, from five minutes to a half hour. But the miracle happened Sunday. At precisely 2 p. m., the duly appointed hour, the local bowler without a first name, breezed into the Central Recs for a trek to Poughkeepsie. This historic happening utterly amazed the large gathering of railbirds. Johnny Ferraro was so flabbergasted he didn't even recognize the dilatory dilly.

P.S.—But alas! Broskie had forgotten his bowling ball and had to return home.

Tenpin Topics:

"Boomer" Miller of the Freeman and other bowling fireballers may be interested in this. Recent tests in the G.E. Laboratory in Schenectady reveal that the average bowler throws a ball at 30 mph. Highest speed recorded in the test was 37.5 mph. by a Johnny Krawiec. In other words not much faster than the old Model Ts. Jake Chichelsky suggests a post-season match between winners of the two mixed leagues. He also touts Miriam Posner as the female knicker to watch. "She rolls a nice ball and has the potentialities to become a great star. Incidentally, she is doing an excellent job as secretary of the Freeman Mixer," writes Jake. Chris Robinson, enthusiastic bowler and rabid follower of Fred Rice's bowling fortunes, sheds his civies on Nov. 29th. Scoop-of-the-Week: Father Herdegen, the Golfing Padre, has transferred his talents to the bowling lanes. He rocked a smashing 253 in a secret practice session at St. Peter's alleys last week. We understand he is angling for the sixth spot on the Kingston Dobblers.

MULLIGAN MIKE SAYS: Two sets of triplets for one mother is doing pretty good, but five of a kind still takes the chips.

Louis' Road Show Is Ring Bonanza

New York, Nov. 23 (AP)—Joe Louis' road series is about as big a hit as the ones staged by Bing Crosby and Bob Hope for the movies. And the heavyweight champion is coinling almost as much dough.

So say Booker Hurry Mendel and Manager Marshall Miles, who have the Brown Bomber hitting the road to Detroit, Cleveland, and points north, south, east and west. Tonight the champ takes on Kid Rivera in a four-rounder at St. Louis. Tomorrow it's Kansas City, Mo., against Curt Kennedy, and so on until Dec. 16 when the big guy's current tour is slated to end. That night the Bomber takes on Pat Comiskey in Paterson, N. J. Louis started his campaign by engaging Comiskey in Washington, D. C., Sept. 20.

Everywhere the champ shows, he's been packing them in. Louis will have earned more than \$100,000 by the time he winds up in Paterson. The champ works on a percentage and so far everyone is happy, Mendel said.

"If the champ wants to continue to tour after the first of the year,

he can earn another \$100,000 by boxing exhibitions until the middle of February," Mendel declared. "And if he wants to keep on going he can make it 300 grand by April 1."

"The country is crazy to see him," Mendel added. "We've got offers from all over the U. S., as well as from foreign countries."

S.M.U.-North Carolina Cotton Bowl Setup

Dallas, Nov. 23 (AP)—The odds today appeared to favor Southern Methodist and North Carolina in the Cotton Bowl.

There was nothing official and the name of the visiting team being sought was kept a closely guarded secret, but unofficial sources said Southern Methodist's football squad, host team in the Dallas New Year's Day bowl game, favored North Carolina as their preference. Now it's up to the Cotton Bowl to get the Tar Heels.

Dan D. Rogers, chairman of the board of the Cotton Bowl Athletic Association, said announcement of the visiting team would be made this afternoon.

Washington — Filberto Osario, 125, New York, outpointed Jimmy Cooper, 122, Washington.

Sickler's Name Starting Five For Clown Game

Sickler's Delivery today named a starting combination for the big Thanksgiving exhibition game against the Cleveland Clowns.

Opposing Gil "Tiny" Reichert and company will be five stand-out players—Capt. Andy Murphy, Tony Albany, George Bloom, "Snitz" Houghtaling and Dan McGrane.

A crack preliminary brings together the undefeated Wilwycik whirlwinds of the Y. Autumn League and the powerful Black Taxis of Hudson. This in itself rates as a feature contest.

Backing up Sickler's big five will be Jack Ruzzo, Jack Baker, Harold Baitz, Don Ross and Manager Tommy Maines.

The traditional Thanksgiving professional attraction is expected to draw a large crowd to the municipal auditorium. In past years it was the traditional opening night for "Pop" Morgenweck's pro powerhouses and in later years other teams used Turkey Day night as the opener.

Sickler's have not announced any plans beyond the Thanksgiving game for special attractions but if the attendance is encouraging similar contests can be expected in the future.

Chief attraction with the Clowns is, of course, "Tiny" Reichert, who is billed as one of the world's tallest basketball players and there is nobody around to dispute that claim. The large Mr. Reichert whose shoes resemble rowboats is a bit of a clown and quite a basketball personality.

Walker Cup Golf Set Next August

New York, Nov. 23 (AP)—Amateur golfers from England and the United States will compete in the Walker Cup matches over the Winged Foot course at Mamaroneck, N. Y., on August 19 and 20, 1949, the United States Golf association said today.

The U.S.G.A., as host organization, recently challenged the Royal and Ancient Golf Club, ruling body of golf in Great Britain. The R. & A. accepted the challenge today and the U.S.G.A. then

quickly accepted the bid of the Wing Foot Club to use their course.

The coming matches will be the second since World War 2. The United States forces won the 1947 event at St. Andrews, Scotland, eight points to four. That was the tenth victory for the U. S. since the matches were inaugurated at Southampton, N. Y., in 1922. Great Britain's amateurs have triumphed but once.

Except for the war period of 1938-1946, the matches are held every two years with the sites alternating between the two competing countries.

New Haven, Conn.—Bernie Reynolds, 181, Fairfield, Conn., outpointed Leo Matriciani, 204, Baltimore (10).

Levi Jackson New Yale Captain

New Haven, Conn., Nov. 23 (AP)—Levi Jackson's election as Yale's 1949 football captain was being cheered today, both on and off the campus.

Town and gown, alike, hailed the native born New Havener who yesterday became the first negro in history to captain a Yale sports team and the first "townie" to lead the Blue since Albert J.

(Albie) Booth captained the 1931 team.

For Jackson, Monday was a day never to be forgotten. It started out with his selection to the first string backfield of the Associated Press All-Eastern team followed by his unanimous election as Yale's 70th captain. Then at night, more than 400 New Haveners roared him welcome at the annual awards dinner of the New Haven Gridiron Club at which he was awarded a plaque as the "outstanding football player of 1948 in the Yale Bowl."

The United States has 200 drive-in theatres.

IN LAST 16 MONTHS... MORE MEN VOLUNTEERED FOR THE ARMY than chose jobs in any other business

HERE'S THE RECORD

Between July 1, 1947, and October 21, 1948, a total of 214,616 forward-looking young American men signed original enlistment contracts with the U. S. Army. This number is greater than the number of men who obtained jobs with any other American business during the same period.

During this sixteen-month period the total of all enlistments in your U. S. Army amounted to 341,959. Of this group, 93,473 veterans returned to the Army—men who had discovered that the U. S. Army offered them more than civilian life. And in the same period 33,870 men re-enlisted to continue their satisfying, productive Army careers.

Thousands upon thousands of intelligent young men are finding worth-while, remunerative and satisfying careers in the Army. And every day more men are taking advantage of the unlimited opportunities the Army offers—opportunities that can't be duplicated in civilian life.

For instance, in the month of August, 1948, alone, 44,204 signed enlistment contracts of three years or more with the Army.

Today fifty-seven per cent of the volunteers in the Army have had previous military service—enjoyable, happy service which they want to continue.

This impressive record is solid, conclusive proof that the Regular U. S. Army offers the kind of career opportunity that the young men of our nation demand—an opportunity not only to learn but to serve at the same time.

WHY MEN RE-ENLIST

Ranking high among the reasons thousands of men give for selecting or continuing careers in the Army are the chances for rapid advancement in their chosen fields. Today the Army is expanding fast. This expansion means unlimited opportunity for promotion of skilled, highly trained men.

Advancement is important; however, there are many other good, sound reasons why so many intelligent men choose to stay in the Army. Here are but a few:

☆ On the day a man enlists the Army starts a retirement-benefit "stake" for him which continues to grow as long as he stays. At the end of six years he has established an equity which compares with a retirement benefit of \$6,250.

☆ Army technical schools offer the most advanced and specialized training in interesting, practical fields—give technical "know-how" you'd have to pay for in civilian life.

HERE'S WHAT THE NEW ARMY OFFERS YOU

Before you choose any career, compare it with a future in the Regular U. S. Army. Never before has the Army offered such tremendous opportunities for a real career to the alert, ambitious young men of America.

On the one hand you have the chance to serve your country while learning a new trade or skill—to further your education in important fields. And on the other hand there are the financial advantages, the job security, the retirement benefits, the chances for rapid promotion, the free medical and dental care that are yours in the Army.

A career in the U. S. Army is an opportunity that just can't be beat. And it's a lifetime opportunity! Get the full details now at your nearest U. S. Army and U. S. Air Force Recruiting Office.

U.S. ARMY and U.S. AIR FORCE RECRUITING OFFICE, Room 201, Central P.O. Building, Kingston, N. Y.

Newkirk and Bruhn Praise Twilight Baseball Record

Nearly 200 Attend Annual Banquet

Nearly 200 persons heard Mayor Oscar V. Newkirk and District Attorney Louis G. Bruhn praise the City Baseball League for its accomplishments of the past few years, last night at the annual league dinner at the Barn.

The mayor described the twilight league as "a grand organization" that daily gave weary and tired taxpayers several hours of relaxation. He said the City Baseball League had become an integral part of the city's recreational setup and he expressed the hope that it continue to function at its present high level.

The district attorney, an ex-baseballer who spent many years in the twilight circuit, congratulated the league for its record and exhorted the players to set an example for the youngsters of the city.

Bernard "Bud" Culleton and Bill Lohman, a couple of ex-major leaguers, spoke briefly and amused the gathering with a few baseball stories.

Davitt Is M.C.

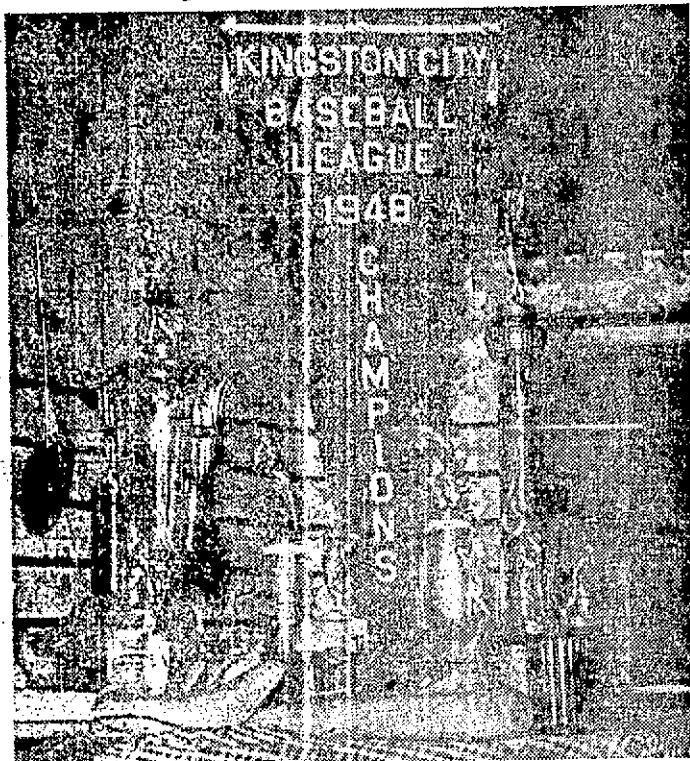

President Thomas M. "Tommy" Davitt served as toastmaster and introduced among others Ernest Steuding, superintendent of public works; Warren Smith, league vice-president; Jake Senor, treasurer; Paul Freer, secretary; Dr. Francis O'Connor, Alderman Jack Dawkins, Andy Murphy III, recreation superintendent, Harry L. Edson, Dick McCarthy and Charles J. Tiano.

Ray Howe of WKNY and Louis "Chic" Provenzano of the Hofbrau shared the entertainment bill with Sally Saylin of the Barn.

The greatest collection of individual prizes and trophies in City League history were awarded at the dinner.

Holyoke, Mass.—George Dunn, 132, Hartford, Conn., outpointed Teddy "Red Top" Davis, 132, Brooklyn (10).

City Baseball Trophies

This stunning collection of individual and team trophies and prizes was on display during the annual City Baseball League banquet Monday night at The Barn. Outstanding are the team prizes and the collection as a whole was by far the most impressive in City League history.

Y Winter League Plans Meeting

The Y.M.C.A. winter basketball league will be organized at a meeting scheduled tomorrow evening at the Y.

Physical Director Lou Schafer has invited all teams in the city to enter. He expects practically all of the Autumn League quintets to play along with a couple of strong newcomers.

Present plans call for opening of the schedule on Tuesday, Dec. 7. Barring a tie, the Autumn League schedule should be completed by Saturday, Dec. 4.

Fights Last Night

(By The Associated Press)
New York—Al Constantino, 143, New York, outpointed Dave Andrews, 146, Boston (8).
Burly Charley, 161, Youngstown, O., knocked out Al Winn, 164, New York (8).

Providence, R. I.—Artie Levine, 168, Brooklyn, stopped Henry Chemel, 164, Portland, Me., (4).

Brooklyn—Willie Beltram, 138, New York, stopped Joey Carkido, 139, Youngstown, O., (7).

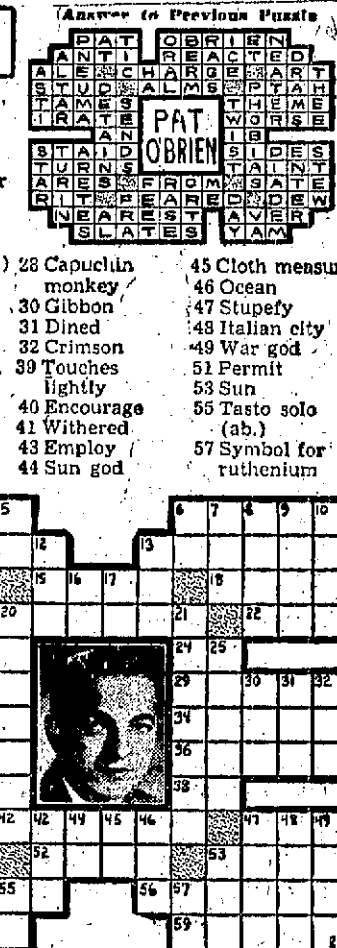

Sparks Polio Drive

Grantland Rice, famed American sports writer, once again leads national sports drive for MARCH OF DIMES January 14-31. Under his chairmanship the entire sports world pledges 100% cooperation in the 1949 fight against infantile Paralysis.

Baseball Notables and 'Assistant Mayor'

The speaker's table at the City Baseball League banquet at The Barn Monday night overflowed with baseball personalities. Shown in the usual order are "Bud" Culleton, Ernest Steuding, Bill Lohman of New Paltz, "Assistant Mayor" Paul R. Freer, who graciously accepted the photographer's invitation to fill out the spot normally reserved for Mayor Newkirk, who arrived late; League President Tom Davitt, District Attorney Louis G. Bruhn, principal speaker; Warren Smith, vice-president and "Jake Senor, treasurer." (Freeman Photo)

Bowling Scores

Evans Tops Mixer

Bud Evans, the bespectacled dynamiter, blasted his way to a 578 league-leading triple in the Central Rec Mixer Sunday night. After an opening 200, Evans bagged 191 and 187. Runner up was Jim Pruden with 181-201-158-565.

Joe Enright, another of younger stars, shot 205-550 and Jake "The Flying Man" Francis had 138-521.

Dick "Flash" Howard posted 178-516. Jim Daniels 189-515; George Uhl 192-510. Paul Khederian missed the coveted "500" bracket by a single strike 173-499.

Mario Kefekian was the star of the distant side with 152-187-177-515. Phil Gehring clipped 169-475; Mary Bonacci 199-499; Betty Helmbold 193-495.

Johnny Ferraro and Ed Oughel were top men in the Ferraro Mixer, with 579 and 547 respectively. George "104" Fleming came up with a respectable 342.

Ferraro's top single was 202, Oughel's 188 and Fleming's 201.

Elsewhere Mary Wyant shot 155-463; Rose Schatzel 174-478; Bill Rappaport 202-498; L. Goldstein 213; W. Murray 191-532 and Len Freer 181-493.

Warren Simmons grabbed high triple honors in the Freeman League with a respectable 491. Leading high angle of 189 on the Y drives.

Close behind were Charlie Diers and Harold "Flat Ball" Steeger with a pair of 486s. John Haas slipped into the upper bracket with 482. Harry Eulton just missed a famous club by a single pin.

Joe Mitchell, "Chesty" they call him out East Kingston way, snapped out of his slump with emphasis in his first game in the City Minor League last night. Joe whacked a routing 246 to set a new high individual single mark for the intermediate loop. Two games later he was down to 136 and wondering if it wasn't all just a big mistake. His three game string was 546.

Another Joe, last name McGrath, was the big gun with 698 on consistent games of 199, 202 and 192. Mitzio Aronsky, the young man of sartorial splendor, rapped 589, Bud Evans 205-544; and Jake "Scribe" Chichelsky 208-502.

Charlie Grunenwald, the old pro of the Independent wheel, was just that last night, stinking games of 194, 207 and 226 for a leading 627 triple.

High scores flourished with Gene Vogel shooting 224-364; Leo Everett 233-590; Harry Wilber 203-539; Jim Daniels 193-556; E. Halbert 204-511; Jump 210-515; Clarence Rhymer 201-585 (and that prize), Rudy Kubicek 201; E. Muller 233-546; Jack "104" Hartman 228-574; and Jim Roe 200-513.

Jack Blinder powered a 220-570 blast in the Good Neighbor circuit to outdistance the field. In the "500" group were Meyer

Independent

Basch 188-530; Hal "688" Tirsch 93-547; Ben Sklon 198-533; Jack Singer 179-518; Max Chirlin 181-528; Rube Leventhal 187-524.

Education Leaders To Give Views on New State System

Albany, N. Y., Nov. 23 (AP)—Representatives of private and public colleges and universities in New York state meet here today to give their views on the administrative powers of the board of trustees of the recently-created state university system.

The board will assume administrative control next April 1 of the state's 32 public institutions of higher learning.

The hearing was called today in compliance with the 1948 statute which set up the board. The law directs that both private and public institutions "shall have full opportunity to be heard relative to the administrative powers" before December 1.

Everett Case, president of Colgate University, was to represent the Association of Colleges and Universities of New York state at the hearing.

The state teachers colleges were represented by Robert E. Noonan, a member of the board of visitors of the State Teachers College at Brockport.

Under the state university law the 15 trustees are charged with planning expansion of high education facilities in the state. The system will include a number of community colleges and two medical centers.

France expects to entertain 1,500,000 tourists from many countries this year.

Marines to Meet

There will be a meeting of all committee chairmen of Ulster Detachment, Marine Corps League, at 8 o'clock tonight at the Legion building, it was announced today by Eugene Barkow, commandant.

MODENA

Modena, Nov. 22—The Modena 4-H Club met recently at the home of Gail Grimm and elected officers for the coming year. Those named were Marion DeWitt, president; Arlene Bernard, vice-president; Helen Stewart, secretary; Ellen Gierisch, treasurer; and Gail Grimm, news reporter. Plans were made for the cookie sale which the members conducted last Saturday at the Hasbrouck Hall. Plans also were discussed to make and sell Christmas wreaths at a future date. The next meeting will be held at the home of Arlene Bernard.

The Modena Home Bureau

members will hold a card party, Saturday evening, December 4 at the Hasbrouck Memorial Hall. A committee will serve refreshments and award prizes.

The November and December committees of the Plattekill Grange will conduct a card party at the Grange Hall, Monday evening. Local members serving on the refreshment committee are: Mr. and Mrs. Burton Ward, Mr. and Mrs. Edward Hartney, Mr. and Mrs. Nelson Hedges, Mr. and Mrs. Fred Bernard, Verda and Arlene Bernard and Helen Stewart. Mrs. Burton Ward was appointed as co-chair at a recent election of the Grange officers and Arlene Bernard was reappointed lady assistant steward.

Local members of the Ulster County Volunteer Firemen's Association attended the regular meeting.

Mr. and Mrs. Roy DuBois and daughter, Mary Lou, visited relatives in Towners recently.

Following is a list of local people whose birthdays occur during December: December 1, DuBois Grimm; December 2, Janice Black; December 3, Eugene Patridge; December 4, George Dushner; December 5, Marie Conklin; December 6, Mrs. Frank Black; December 7, Mrs. Doolittle (Tillson); December 8, Roy Jensen; December 9, Hallock Harris; December 10, Shirley Harcourt; December 11, December 12, Tony Mowthras; December 13, Natalie Falls, (Nevada); December 14, Charles Palmer, Jr., (Pawling); December 15, Holcomb Thomson of Kingston was a caller here Tuesday.

Appointed with Eisenhower to vacancies in the 20-man commission for four years starting January 1 were President Henry H. Hill of George Peabody College for Teachers, Nashville, Tenn., and William Jansen, New York city superintendent of schools.

Eugene H. Herrington, principal of a Denver, Colo., school, was reappointed for four years.

About the Folks

Walter A. White of 27 Pine street has been elected a member of the American Society of Civil Engineers. Mr. White is employed as an engineer by the New York City Board of Water Supply.

Eisenhower to Help Decide on Policy

Washington, Nov. 23 (AP)—Gen. Dwight D. Eisenhower will help decide what American schools teach about the danger of war.

The National Education Association announced today that Eisenhower, President of Columbia University, will serve on N.E.A.'s Educational Policies Commission.

The commission, which specializes in long-range, educational planning, has been assigned in 1949 to help determine the role of schools "in the face of continuing international tensions."

The commission was asked to recommend what the schools should do about:

1. Developing moral and spiritual values.

2. Aiding civilian defense in the event of atomic war.

3. Changing to meet the needs of Selective Service.

James E. Conant, Harvard University president and a member of the policies commission, said of the 1949 assignment: "It's time we open our eyes and become prepared for a long period of armed peace."

Appointed with Eisenhower to vacancies in the 20-man commission for four years starting January 1 were President Henry H. Hill of George Peabody College for Teachers, Nashville, Tenn., and William Jansen, New York city superintendent of schools.

Eugene H. Herrington, principal of a Denver, Colo., school, was reappointed for four years.

Woman Sought In Kittell Death

Hudson, N. Y., Nov. 23 (AP)—A woman is being sought for questioning in connection with the slaying of Martin M. Kittell, 48, the Columbia county district attorney says.

Thomas P. Kennedy declined last night to reveal the identity of the woman. He said she had been seen with Kittell several nights before his death.

Kittell was found shot and slugged to death Sunday on a dirt road north of here. An autopsy showed four .22 calibre slugs in his head. Corporal Dewey A. Lawrence said Kittell also had been struck repeatedly on the head with a heavy instrument.

Kennedy and State Police Lieut. Joseph Steeley said they had not found a motive for the slaying and that they had few clues. Neither the gun nor the slugs have been found.

Police said when Kittell's body was found, he was wearing a diamond ring and a wrist watch and had \$28 in his pocket. However, they said they had learned that he usually carried at least \$200.

A wallet was missing, police said.

Kittell's automobile was found about a mile and a half from the road where his body was discovered. Police said they found footprints of two men near the car.

Kennedy and Steeley said three youths with a .22 calibre rifle, who were questioned yesterday at New City, Rockland county, had no connection with the case.

Kittell, an employee of a dry cleaning firm, was the son of the late John L. Kittell, former public welfare commissioner of Columbia county.

Tonight, mostly clear and cool; low near 40 in city, freezing in suburbs; gentle westerly winds. Wednesday, sunny in morning, followed by increasing cloudiness in afternoon; high near 50; gentle to moderate southwesterly winds.

MILD

Big Coastal Guns Are Being Removed

Fort Hancock, N. J., Nov. 23 (AP) — The big 16-inch coastal guns that have been the principal defense weapons here for many years are being dismantled today.

With the increasing reliance on the air force for harbor protection, the army decided that the guns, with their fixed position, are obsolete.

Every gun of 16 inches and six inches on land and in the neighboring highlands will be dismantled, the army said.

The guns, which were capable of firing about 20 miles, were fired only periodically for tests in recent years, and although the members of the post always looked forward to it, the residents of nearby towns didn't like the noise and complained frequently.

The repetitions from the firing could, and did, break windows and knock china from shelves on many occasions.

Fort Hancock, along with Fort Tilden, once was the main defense of New York harbor. Now there are less than 500 men on the post. Most of the men are assigned to the disciplinary barracks on the post.

Collecting in Third
The local public works department will collect leaves this week in the Third Ward. Collections will be made there Wednesday and Friday, Ernest A. Steuding, superintendent of the department said today.

Testimonial Dinner for Father Herdegen

Seated (l. to r.) the Rev. Joseph J. O'Rourke, the Rev. James A. Dunnigan, the Rev. Henry E. Herdegen, the Rev. Edward Farrelly and Patrick T. Murphy; standing (l. to r.) Walter L. Foster, Frank A. Reis, Frank Campochiaro, Joseph F. Saccoman, grand knight, and William A. Kelly. (Freeman Photo)

300 Knights Honor Former Chaplain Monday Evening

The Rev. Henry E. Herdegen, former chaplain of Kingston Council, 275, Knights of Columbus, was guest of honor at a testimonial dinner in the K. of C. home, Monday evening. About 300 members gathered in the assembly hall and enjoyed a menu, featuring turkey, prepared by members of Court Santa Maria, Catholic Daughters of America. Following the dinner, Grand Knight Joseph F. Saccoman welcomed the group and turned the program over to Frank Campochiaro, master of ceremonies. Past Grand Knight William A. Kelly made the address of the evening. Dr. Fred A. Voss spoke briefly and Past Grand Knight Patrick T. Murphy presented Father Herdegen with a gift on behalf of those present.

After the dinner Father Herdegen was honored at a meeting of the Fourth Degree Assembly of the K. of C.

KRIFFLEBUSH

Krifflebusch, Nov. 23 — There will be a Thanksgiving service in the church Wednesday at 8 p. m. The Stone Ridge choir will join the local singers for special songs. The local choir will sing in Stone Ridge at 10 a. m. during the union service.

Mr. and Mrs. Uriah Conner left Sunday to spend the winter in Florida. A number from here attended the turkey supper in the Uster Heights Methodist Church. The pastor is the Rev. F. G. Baker, formerly of the local church.

Soviets Ban Directory

Berlin, Nov. 23 (AP) — Soviet sector police have banned Berlin's new telephone book. They ordered it withdrawn from their area because its offices were "not sufficiently identified." The new directory listed Dr. Johannes Stumm, head of the west sector police, as police president of Berlin. It gave no listing for Communist Paul Markgraf, whom the Russians have designated as police president. Copies of the directory, already distributed, have been withdrawn. The city government is reported considering issuing a supplementary sheet listing offices of the Russian-controlled police presidium.

Seven Airmen Killed

Ludgershall, England, Nov. 23 (AP) — Seven airmen were killed last night when a four-engine Lancaster struck a hilltop in thick fog 80 miles southwest of London. The plane was returning from Berlin airdrop duty. The one survivor, Radio Officer Sidney Stanley, was thrown clear, his clothes afire, when the plane hit the trees in Conholt Park, a 324-acre estate at nearby Chute.

PORT EWEN NEWS

Port Ewen, Nov. 23 — The Dorcas Society will meet tonight at 8 o'clock in the Reformed Church Hall. Members are asked to bring a small gift for the social hour. The committee is composed of Mrs. Frank White, and Mrs. Walter Schussler. The packages for the Dorcas Society Thanksgiving basket are to be left at Card's drug store tonight.

Mrs. Percy Fairbrother and Mrs. George Fowler spent Monday in New York city.

All members of the Presentation Women's Club who plan to send articles of crayons, puzzles, toothbrushes, soap and coloring books to Mrs. S. W. Lutz for an orphanage in Austria are requested to bring them to the club meeting Wednesday night. Mrs. Lutz is formerly of Port Ewen and is now spending some time with her husband who is stationed for an indefinite time in Austria. Articles are to be sent for Christmas.

Wednesday night at the Presentation Church the novena to Our Lady of Perpetual Help will be conducted by the Rev. Joseph Collier, C.Ss.R. There will be benediction and confessions. A meeting of the Women's Club will be held after the novena.

The regular monthly meeting of the Port Ewen School Association was held at the schoolhouse, Wednesday, Nov. 17, with Mrs. Frank Dailey, president, in the chair. Mrs. Bevier Sleight, chairman of the membership committee, reported 88 paid members. Mrs. Lawrence Lyons, chairman of the finance committee, reported the gross amount of \$125. The as-

sociation voted to purchase a film strip projector for the school to be given as a Christmas gift. Mrs. Donald Swan is to purchase the machine. It was decided to give records instead of books as attendance awards. Attendance prize went to room 3, Mrs. Irving Rightmyer, teacher. The film "Playtown in the U. S. A." was shown. Amasa Smith introduced the guest speaker, Charles Elmendorf of Rifton, whose subject was on organizing a club for teen-agers. He said a club had already been organized in Port Ewen and hoped the idea would spread to nearby communities. Port Ewen School No. 13 will be closed Thursday and Friday for Thanksgiving vacation. Refreshments were served by the committee and a social enjoyed.

Members of the Men's Community Club are invited to attend a social evening with the Men's Club of the Albany Avenue Baptist Church, Kingston, Wednesday. Cars will leave the Reformed Church directly after the union Thanksgiving service at the Methodist Church.

Rehabilitation chairman of the American Legion Auxiliary, Post 1298, Mrs. Vivian Stadt, has requested that all members contribute unbreakable gifts that veterans at Castle Point can send to their wives, mothers, fathers or children. The veteran is not charged for the gift but he selects the gift he wants. Donors are asked to enclose a card, gift wrappings, and ribbon but do not wrap them. Gifts must be given to Vivian Stadt on Bowen street by November 29. Dues for 1949 in the American

Barclay Gets Plaque For X-Ray Cooperation

All personnel of the Barclay Knitwear Company have had a chest X-ray during the current city-wide survey now in progress, and the company has been awarded a membership plaque in the 100 Per Cent Club, according to an announcement today by Harry Rose, plant manager.

The Barclay factory is the first factory in this city to qualify for membership in this club, which is also open to offices and stores, Miss Katherine M. Murphy, R.N., executive of the Ulster County Tuberculosis and Health Association.

The unanimous support of this community project by any business or industrial group, regardless of size, entitles the unit to membership in the 100 Per Cent Club. Requests for membership plaques may be made to the area chairmen, who are William Dwyer, city chairman; Robert Teetsel and Lawrence MacAvery, uptown chairmen; George W. Schneider, midtown chairman, and Joseph Epstein, downtown chairman.

Never Brush False Teeth, Bridges

Clean them this new, easy, safe way

Brushing can ruin dentures! Clean yours with ORA, the new product made especially for this purpose. Simply leave denture and 1/2 teaspoon ORA in a glass of water for 15 minutes — or overnight. No brushing. Denture comes out sparkling clean. ORA is pure. ORA will not cake in the jar. Less than 1¢ a day. At your druggists. Get ORA today, be safe! A product of McKesson & Robbins.

REMOVES UNSIGHTLY TOBACCO STAINS — GUARANTEED NOT TO HARM YOUR DENTURE.

You can depend on ORA

Legion Auxiliary, Post 1298, are payable to Miss Mary Coniglio.

Holds Honor
